of 28 May 2004

fixing the corrective amount applicable to the refund on cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1766/92 of 30 June 1992 on the common organisation of the market in cereals[(1)], and in particular Article 13(8) thereof,

Whereas:

(1) Article 13(8) of Regulation (EEC) No 1766/92 provides that the export refund applicable to cereals on the day on which an application for an export licence is made must be applied on request to exports to be effected during the period of validity of the export licence. In this case, a corrective amount may be applied to the refund.

That corrective amount must be calculated taking account of the factors referred to in Article 1 of Regulation (EC) No 1501/95.

(3) The world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination.

(4) The corrective amount must be fixed at the same time as the refund and according to the same procedure; it may be altered in the period between fixings.

(5) It follows from applying the provisions set out above that the corrective amount must be as set out in the Annex hereto.

(6) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,
