Commission Regulation (EC) No 963/2004 of 12 May 2004 fixing the import duties in the rice sector

COMMISSION REGULATION (EC) No 963/2004

of 12 May 2004

fixing the import duties in the rice sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 3072/95 of 22 December 1995 on the common organisation of the market in rice[(1)],

Having regard to Commission Regulation (EC) No 1503/96 of 29 July 1996 laying down detailed rules for the application of Council Regulation (EC) No 3072/95 as regards import duties in the rice sector[(2)], and in particular Article 4(1) thereof,

Whereas:

(1) Article 11 of Regulation (EC) No 3072/95 provides that the rates of duty in the Common Customs Tariff are to be charged on import of the products referred to in Article 1 of that Regulation. However, in the case of the products referred to in paragraph 2 of that Article, the import duty is to be equal to the intervention price valid for such products on importation and increased by a certain percentage according to whether it is husked or milled rice, minus the cif import price provided that duty does not exceed the rate of the Common Customs Tariff duties.

(2) Pursuant to Article 12(3) of Regulation (EC) No 3072/95, the cif import prices are calculated on the basis of the representative prices for the product in question on the world market or on the Community import market for the product.

(3) Regulation (EC) No 1503/96 lays down detailed rules for the application of Regulation (EC) No 3072/95 as regards import duties in the rice sector.

(4) The import duties are applicable until new duties are fixed and enter into force. They also remain in force in cases where no quotation is available from the source referred to in Article 5 of Regulation (EC) No 1503/96 during the two weeks preceding the next periodical fixing.

(5) In order to allow the import duty system to function normally, the market rates recorded during a reference period should be used for calculating the duties.

(6) Application of Regulation (EC) No 1503/96 results in an adjustment of the import duties as set out in the Annexes to this Regulation,

HAS ADOPTED THIS REGULATION:
