EXPLANATORY NOTE

(*This note is not part of the Regulations but is intended to indicate their general purport.*)

The purpose of this amendment is to remove from the regulations a restriction relating to the depositing of a skip in such a position as to cause or to be likely to cause any obstruction or danger. Such depositing of skips is already an offence under Part II of the Order. It also removes the authority purportedly conferred on the Department to authorise the depositing of skips in certain circumstances.
