(2) In a case where the weekly rate of the guaranteed minimum pensions to which the earner in question has accrued rights under the scheme in question does not fall to be determined in accordance with provisions included in the scheme by virtue of Article 37(7) as amended by Article 18(7) of the Order of 1977 (revaluation without reference to orders under Article 23), the Department shall apply the standard actuarial table in Schedule 1.
