However, that duty may not exceed the rate of duty in the Common Customs Tariff.

(3) Regulation (EC) No 1249/96 lays down detailed rules for the application of Council Regulation (EEC) No 1766/92 as regards import duties in the cereals sector.

(4) The import duties are applicable until new duties are fixed and enter into force. They also remain in force in cases where no quotation is available for the reference exchange referred to in Annex II to Regulation (EC) No 1249/96 during the two weeks preceding the next periodical fixing.

(5) In order to allow the import duty system to function normally, the representative market rates recorded during a reference period should be used for calculating the duties.
