THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 104/2000 of 17 December 1999 on the common organisation of the markets in fishery and aquaculture products [1],

Having regard to Commission Regulation (EC) No 939/2001 of 14 May 2001 laying down detailed rules for the application of Council Regulation (EC) No 104/2000 relating to the grant of flat-rate aid for certain fishery products [3], and in particular Article 5 thereof,

Whereas:

(1) Regulation (EC) No 104/2000 provides that aid may be granted for quantities of certain fresh products withdrawn from the market and either processed to stabilise them and stored or preserved.

(2) The purpose of this aid is to give suitable encouragement to producers' organisations to process or preserve products withdrawn from the market so that their destruction can be avoided.

(3) The aid level should not be such as will disturb the balance of the market for the products in question or distort competition.

(4) The aid level must not exceed the technical and financial costs associated with the operations essential to stabilising and storage recorded in the Community during the fishing year preceding the year in question.

(5) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fishery Products,
