COMMISSION REGULATION (EC) No 2222/2002

of 13 December 2002

opening and providing for the administration of a Community tariff quota for 2003 for manioc originating in Thailand

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1095/96 of 18 June 1996 on the implementation of the concessions set out in Schedule CXL drawn up in the wake of the conclusion of the GATT XXIV.6 negotiations [1], and in particular Article 1(1) thereof,

Whereas:

(1) During the World Trade Organisation multilateral trade negotiations, the Community undertook to open a tariff quota restricted to 21 million tonnes of products falling within CN codes 0714 10 10, 0714 10 91 and 0714 10 99 originating in Thailand per four-year period, with customs duty reduced to 6 %. This quota must be opened and administered by the Commission.

(2) It is necessary to keep an administration system which ensures that only products originating in Thailand may be imported under the quota. The issue of an import licence should therefore continue to be subject to the presentation of an export certificate issued by the Thai authorities, a specimen of which has been notified to the Commission.

(3) Since imports to the Community market of the products concerned have traditionally been administered on the basis of a calendar year, this system should be retained. A quota must therefore be opened for 2003.

(4) The import of products covered by CN codes 0714 10 10, 0714 10 91 and 0714 10 99 is subject to the presentation of an import licence in accordance with Commission Regulation (EC) No 1291/2000 of 9 June 2000 laying down common detailed rules for the application of the system of import and export licences and advance fixing certificates for agricultural products [2], as amended by Regulation (EC) No 2299/2001 [3], and with Commission Regulation (EC) No 1162/95 of 23 May 1995 laying down special detailed rules for the application of the system of import and export licences for cereals and rice [4], as last amended by Regulation (EC) No 1322/2002 [5].

(5) In the light of past experience and taking into account that the Community concession provides for an overall quantity for four years with an annual maximum of 5 500 000 tonnes, it is advisable to maintain measures which, under certain conditions, either facilitate the release for free circulation of quantities of products exceeding those given in the import licences, or allow the difference between the figure given in the import licences and the smaller figure actually imported to be carried forward.

(6) In order to ensure the correct application of the agreement, a system of strict and systematic controls is needed that take account of the information given on the Thai export certificates and the Thai authorities' procedures for issuing export certificates.

(7) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 4

Applications for an import licence for products falling within CN codes 0714 10 10, 0714 10 91 and 0714 10 99 originating in Thailand, drawn up in accordance with Regulations (EC) No 1291/2000 and (EC) No 1162/95, shall be submitted to the competent authorities in the Member States accompanied by the original of the export certificate.

The original of the export certificate shall be retained by the body which issues the import licence. However, where the application for an import licence relates to only a part of the quantity indicated on the export certificate, the issuing body shall indicate on the original the quantity for which it was used and, after affixing its stamp, shall return it to the party concerned.

Only the quantity indicated under 'shipped weight' on the export certificate shall be taken into consideration for the issue of the import licence.

Article 5

Where it is found that the quantities actually unloaded in a given consignment are greater than the total figuring on the import licence or licences issued for this consignment, the competent authorities who issued the import licence or licences concerned shall, at the request of the importer, communicate to the Commission by telex or fax, case by case and as soon as possible, the number or numbers of the Thai export certificates, the number or numbers of the import licences, the excess quantity concerned and the name of the cargo vessel.

The Commission shall contact the Thai authorities so that new export certificates may be drawn up.

Until the new certificates have been drawn up, the excess quantities may not be released for free circulation under this Regulation unless new import licences are presented for the quantities concerned.

New import licences shall be issued on the terms laid down in Article 10.

Article 6

As an exception to the third subparagraph of Article 5, where it is found that the quantities actually unloaded in the case of a given delivery do not exceed the quantities covered by the import licence or licences presented by more than 2 %, the competent authorities of the Member State of release for free circulation shall, at the importer's request, authorise the release for free circulation of the surplus quantities in return for payment of a customs duty with a ceiling of 6 % *ad valorem* and the lodging by the importer of a security of an amount equal to the difference between the duty laid down in the Common Customs Tariff and the duty paid.

The security shall be released upon presentation to the competent authorities of the Member State of release for free circulation of an additional import licence for the quantities concerned. The security referred to in Article 15(2) of Regulation (EC) No 1291/2000 or Article 8 of this Regulation shall not be required for additional licences.

Additional import licences shall be issued on the terms laid down in Article 10 and on presentation of one or more new export certificates issued by the Thai authorities.

Section 20 of additional import licences shall contain one of the following entries:

— Certificado complementario, apartado 3 del artículo 4 del Reglamento (CE) nº 2222/2002

— Supplerende licens, forordning (EF) nr. 2222/2002, artikel 4 stk. 3
