of 25 September 2002

fixing the agricultural components and additional duties applicable from 1 January 2002 on the importation into the Community of certain goods covered by Council Regulation (EC) No 3448/93 from Iceland and from Norway

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 3448/93 of 6 December 1993 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products [1], as last amended by Regulation (EC) No 2580/2000 [2], and in particular Article 7(4) thereof,

Whereas:

Those amendments apply from 1 January 2002.

(3) It is therefore necessary to fix, in accordance with Protocol 3, the new agricultural components and additional duties for Iceland and for Norway.

The duties resulting from the measures provided in this Regulation should not exceed those applicable under the Common Customs Tariff.

(5) Commission Regulations (EC) No 1475/2000 of 10 July 2000 determining the amounts of the agricultural components and the additional duties applicable from 1 July 2000 on the importation into the Community of goods covered by Council Regulation (EC) No 3448/93 from Iceland [6] and (EC) No 1476/2000 of 10 July 2000 determining the amounts of the agricultural components and the additional duties applicable from 1 July 2000 on the importation into the Community of goods covered by Council Regulation (EC) No 3448/93 from Norway [7] should accordingly be repealed.

(6) The measures laid down in this Regulation comply with the opinion of the Management Committee on horizontal questions concerning trade in processed agricultural products not listed in Annex I,
