SCHEDULE

Notes Exchanged between the Ambassador of the United States of America and the Secretary of State for Foreign and Commonwealth Affairs.

No. 1

Note from the Ambassador of the United States of America to the Secretary of State for Foreign and Commonwealth Affairs.

No. 21 September 23, 1969

Excellency:

I have the honor to refer to the conversations which have taken place between the representatives of the United States Social Security Administration and of the United Kingdom Department of Health and Social Security about the provisions of the United States Social Security Act which concern the payment of benefits to persons who are outside the United States and who are not citizens of the United States and about those provisions of the United Kingdom National Insurance Acts which concern the payment of pensions to persons who are outside the United Kingdom and who are not ordinarily resident there. On the basis of those conversations, I am to say that, if the Government of the United Kingdom of Great Britain and Northern Ireland will undertake

(*a*) that any increase of pension rates which may be awarded in the future under the United Kingdom Acts to pensioners who are in the United Kingdom shall apply also to anyone who is ordinarily resident in the United States and has qualified for a pension under those acts other than by virtue of a reciprocal agreement concluded by the United Kingdom with a third country;

(*b*) that any pension payable under the United Kingdom Acts to a citizen of the United States who is ordinarily resident in a country with which the United Kingdom has concluded an agreement on social security shall not be paid at a rate lower than the rate at which it would have been paid if he or she had been a citizen of the United Kingdom and Colonies;

(*c*) that the foregoing provision (*b*) shall have effect from 1st January 1957 and that arrears of benefit shall be paid accordingly;

(*d*) that for the purpose of the foregoing provisions (*a*), (*b*), and (*c*), the expression "United Kingdom Acts" means the National Insurance Acts of Great Britain, Northern Ireland, and the Isle of Man, the Insular Insurance Laws of Jersey, and the Social Insurance Laws of Guernsey, including regulations and orders made under those acts and laws; and the word "pension" means a retirement pension, old age pension, or widow's benefit payable under those acts and laws;

then the Government of the United States will agree that the United Kingdom has a social insurance system which complies with the conditions set out in Section 202(*t*)(2) of the United States Social Security Act, and that, in consequence, the limitations imposed by Section 202(*t*)(1) of that Act in the payment of benefits to persons who are not citizens of the United States do not apply to citizens of the United Kingdom and Colonies.

If these proposals are acceptable to the Government of the United Kingdom, this note and your reply concurring therein shall constitute an agreement between our two Governments, which shall enter into force on the date of your reply.

Accept, Excellency, the renewed assurances of my highest consideration.
