Imposition and Assessment of the Levy for the Second Levy Period

2.—(1) The levy to be imposed on employers shall be assessed in accordance with the provisions of this Article.

(2) The levy shall be assessed by the Board separately in respect of each textiles establishment of an employer, but in agreement with the employer one assessment may be made in respect of any number of such establishments, in which case those establishments shall be deemed for the purposes of that assessment to constitute one establishment.

(3) Subject to the provisions of this Article, the amount of the levy imposed on an employer in respect of a textiles establishment shall be the amount obtained by multiplying the sum of £4 10s. 0d. by the number that is equal to the average (calculated to the lowest whole number) of the numbers of persons employed or deemed under the provisions of paragraph (4) to have been employed at or from that establishment on the first Monday in October 1968, December 1968, March 1969 and June 1969.

(4) In the case where a textiles establishment is taken over (whether directly or indirectly) by an employer in succession to, or jointly with, another person, a person employed at or from the establishment at any time in the second base period shall be deemed, for the purposes of this Order, to have been so employed by the employer carrying on the said establishment on the day upon which this Order comes into operation.

(5) The amount of the levy imposed in respect of a textiles establishment that ceases to carry on business in the second levy period shall be in the same proportion to the amount that would otherwise be due under the foregoing provisions of this Article as the number of days between the commencement of the said levy period and the date of cessation of business (both dates inclusive) bears to the number of days in the said levy period.

(6) For the purposes of this Article no regard shall be had to any employee engaged wholly in the supply of food or drink for immediate consumption.
