COMMISSION REGULATION (EC) No 850/2002

of 22 May 2002

on the issue of import licences for rice with cumulative ACP/OCT origin against applications submitted in the first five working days of May 2002 pursuant to Regulation (EC) No 2603/97

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Commission Regulation (EC) No 2603/97 of 16 December 1997 laying down the detailed rules of application for the import of rice from the ACP States and for the import of rice from the overseas countries and territories (OCT) [1], as last amended by Regulation (EC) No 174/2002 [2], and in particular Article 9(2) thereof,

Whereas:

(1) Pursuant to Article 9(2) of Regulation (EC) No 2603/97, the Commission must decide within 10 days of the final date for notification by the Member States the extent to which applications can be granted and must fix the available quantities for the following tranche.

(2) The quantities for which applications have been submitted show that licences for the May 2002 tranche exceed the quantities available for that tranche. This shows that licences should be issued for the quantities applied for reduced, where appropriate, by reduction percentages,

HAS ADOPTED THIS REGULATION:

2. The available quantities for the following tranche are set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 23 May 2002.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 22 May 2002.
