1967. No. 254 **[NC]**

ELECTRICITY

Points of Supply

ORDER, DATED 2ND OCTOBER 1967, MADE BY THE MINISTRY OF COMMERCE UNDER SECTION 22 OF THE ELECTRICITY (SUPPLY) ACT (NORTHERN IRELAND) 1967.

The Ministry of Commerce, in exercise of the powers conferred on it by section 22 of the Electricity (Supply) Act (Northern Ireland) 1967(a) (in this Order referred to as "the Act") and of all other powers enabling it in that behalf, after consultation with the Northern Ireland Joint Electricity Authority, hereby makes the following Order:—

1. This Order may be cited as the Electricity (Points of Supply) Order (Northern Ireland) 1967.

2. For the purposes of the Act, the points of supply shall be as set out in the Schedule hereto.

3. Where places named in the Schedule hereto are the sites of step-down transformers from 110kV to lower voltage, the actual points of supply shall be at the 110kV side of such transformers.

4. Where, at places named in the Schedule hereto, undertakers will be receiving supplies onto their own 110kV supply lines, the actual points of supply shall be on the busbar side of the circuit breakers controlling the lines.

5. Where supplies are taken direct from power stations at voltages below 110kV, the actual points of supply shall be at the main station busbars, on the busbar side of the generator transformers.

6. Where supplies which have been metered out from the main transmission system to undertakers are subsequently imported into a power station to provide works power, such supplies shall be metered at the points of importation.

Sealed with the Official Seal of the Ministry of Commerce for Northern Ireland this 2nd day of October 1967.

(L.S.) *W. L. Robinson,*
Assistant Secretary.

(a) 1967. c. 11 (N.I.).
