EXPLANATORY NOTE

(This note is not part of the Regulations, but is intended to indicate their general purport.)

These Regulations modify section 29(1) of the Office and Shop Premises Act (Northern Ireland) 1966 so as to render unlawful the employment of persons to work in certain office and shop premises comprised in a building in which is also comprised any factory within the meaning of the Factories Act (Northern Ireland) 1965 (or any part of any such factory) unless there is in force with respect to the premises a certificate of the appropriate authority that the premises are provided with means of escape in case of fire.

The office and shop premises to which these Regulations apply are those comprised in a building in which the aggregate of the persons employed at any one time in the building (or in parts of the building elsewhere than on the ground floor) in office and shop premises and in any factory premises exceeds the numbers specified in the Regulations.
