EXPLANATORY NOTE

(This note is not part of the Regulations, but is intended to indicate their general purport.)

These Regulations, which further amend the National Insurance (Overlapping Benefits) Regulations (Northern Ireland) 1961, provide for certain cases in which the earnings-related supplements to unemployment benefit, sickness benefit and widow's allowance introduced by the National Insurance (No. 2) Act (Northern Ireland) 1966 are not to be adjusted by reference to other benefits. They also further amend the National Insurance (Hospital In-Patients) Regulations (Northern Ireland) 1961 so as to secure that those regulations shall not apply to the earnings-related supplements.

EXPLANATORY NOTE

(This note is not part of the Regulations but is intended to indicate their general purport.)

These amending regulations affect persons in the Civil Service who transferred from teaching service in Great Britain before 1st April 1950 and whose combined service is reckonable for superannuation purposes under section 8 of the Superannuation Act (Northern Ireland) 1947. Under the existing regulations a slight reduction is made in the Civil Service retiring lump sum to take account of the lower lump sum under the Teachers' Scheme. The reduction is now being discontinued so that the arrangements will be more in line with modern interchange practice.
