(This Note is not part of the Regulations, but is intended to indicate their general purport.)

These regulations add a new fuel called "Multiheat" to those which have been declared by the Smoke Control Areas (Authorised Fuels) Regulations (Northern Ireland) 1965 (1965 No. 75) to be "authorised fuels", the use of which in a smoke control area is a defence against proceedings brought under Section 11 of the Clean Air Act (Northern Ireland) 1964.
