1965. No. 76 [C]

CLEAN AIR

Smoke Control Areas—Exempted Fireplaces

REGULATIONS, DATED 14TH APRIL, 1965, MADE BY THE MINISTRY OF HEALTH AND SOCIAL SERVICES UNDER SECTION 11 OF THE CLEAN AIR ACT (NORTHERN IRELAND) 1964.

The Ministry of Health and Social Services in exercise of the powers conferred upon it by section 11 of the Clean Air Act (Northern Ireland) 1964(a) and of every other power enabling it in that behalf, hereby makes the following regulations:—

Citation and Commencement

1. These regulations may be cited as the Smoke Control Areas (Exempted Fireplaces) Regulations (Northern Ireland) 1965, and shall come into operation on the 1st day of July, 1965.

Exempted Fireplaces

2. The classes of fireplace described in the first column of the Schedule shall, subject to the conditions set out in the second column opposite the description of the fireplace, be exempted from the provisions of section 11 of the Clean Air Act (Northern Ireland) 1964.

SCHEDULE

(1) Class of fireplace	(2) Conditions
Fireplaces, specially designed or adapted for the combustion of liquid fuel.	The fireplace shall be so installed, maintained and operated as to minimise the emission of smoke.
Fireplaces, other than fireplaces fired by pulverised fuel, constructed on or after the 1st day of July, 1965 and equipped with mechanical stokers, or adapted on or after that date for use with such stokers.	The fireplace shall be so installed, maintained and operated as to minimise the emission of smoke. No fuel shall be used other than that for which the mechanical stoker was designed.
The fireplace known as the Solid Fuel Ductair Unit, manufactured by Radiation Limited.	The fireplace shall be so installed, maintained and operated as to minimise the emission of smoke, and in any case in accordance with the manufacturer's instructions.
The fireplace known as the Fulgora Slow Combustion Stove, manufactured by Fulgora Stoves Limited.	The fireplace shall be so installed, maintained and operated as to minimise the emission of smoke, and in any case in accordance with the manufacturer's instructions. No fuel shall be used other than wood waste in clean condition.

(a) 1964. c. 16 (N.I.).
