1965. No. 26 **[C]**

POISONS

ORDER, DATED 3RD FEBRUARY, 1965, MADE BY THE MINISTER OF HOME AFFAIRS UNDER SECTION 26A(6) OF THE MEDICINES, PHARMACY AND POISONS ACT (NORTHERN IRELAND) 1945.

Whereas the Poisons Board, constituted in accordance with Section 26 of the Medicines, Pharmacy and Poisons Act (Northern Ireland) 1945(**a**), has recommended to me that the list of substances which are to be treated as poisons for the purposes of the Pharmacy and Poisons Acts (Northern Ireland) 1925 to 1955(**b**) and known as "the Poisons Schedule" for the purposes of those Acts should be amended so that certain additional substances should be included in Part I of the said schedule (which Part consists of those Poisons which, subject to the provisions of the said Acts, are not to be sold except by a person who is an authorised seller of poisons) and in Part II thereof (which Part consists of those Poisons which, subject to the provisions of the said Acts, are not to be sold except by authorised sellers of poisons and those persons who are authorised by the local authority and whose names are entered in a register kept by the local authority under Section 30 of the Act) and so that certain substances should be transferred from the said Part II to the said Part I and so that there should be certain variations of nomenclature in both the said Parts:

Now, therefore, I, the Right Honourable Robert William Brian McConnell, Minister of Home Affairs, in exercise of the powers conferred on me by Section 26A(6) of the Medicines, Pharmacy and Poisons Act (Northern Ireland) 1945 and of all other powers enabling me in that behalf do hereby order as follows:

Citation and Commencement

1. This Order may be cited as the Poisons List Order (Northern Ireland) 1965 and shall come into operation on 1st March, 1965.

Amendments

2. The "Poisons Schedule" for the purposes of the Pharmacy and Poisons Acts (Northern Ireland) 1925 to 1955(**c**) shall be amended and varied as follows, that is to say:

(*a*) Part I shall be amended and varied in the manner specified in paragraph 1 of the First Schedule; and

(*b*) Part II shall be amended and varied in the manner specified in paragraph 2 of that Schedule

and accordingly the list of substances which are to be treated as poisons for the purposes of the Pharmacy and Poisons Acts (Northern Ireland) 1925 to 1955 shall be as set out in the Second Schedule.

Dated the 3rd day of February, 1965.

R. W. B. McConnell,
Minister of Home Affairs
for Northern Ireland.

(**a**) 1945. c. 9.
(**b**) 15 & 16 Geo. 5. c. 8 (N.I.) & 1955. c. 31.
(**c**) S.R. & O. (N.I.) 1963, No. 197.

FIRST SCHEDULE

Amendments and Variations in the Poisons Schedule

1. *In Part I of the Poisons Schedule*—

(*a*) after the item beginning with the word "Acetanilide" there shall be inserted the item "Acetohexamide";

(*b*) for the item beginning with the word "β-Aminopropylbenzene" there shall be substituted the item "β-Aminopropylbenzene and β-aminoisopropylbenzene and any compound structurally derived from either of those substances by substitution in the side chain or by ring closure therein (or by both such substitution and such closure), except ephedrine, N-methylephedrine, N-diethylaminoethylephedrine, phenylpropanolamine and prenylamine; any salt of any substance falling within this item" and accordingly the items "Diethylpropion; its salts", "Fencamfamin; its salts", "Mephentermine; its salts", "Methyl phenidate; its salts", "Phendimetrazine; its salts", "Phenmetrazine; its salts; its molecular compounds", "Pipradrol; its salts" and "Prolintane; its salts" (being substances comprised within the said substituted item) shall be omitted;

(*c*) after the item beginning with the word "Benzethidine" there shall be inserted the item "Benzhexol; its salts";

(*d*) for the item beginning with the word "Benztropine" there shall be substituted the item "Benztropine and its homologues; their salts";

(*e*) after the item "Carisoprodol" there shall be inserted the items "Carperidine; its salts" and "Chloral; its addition and its condensation products; their molecular compounds" and accordingly the items "Chloral formamide" and "Chloral hydrate" (being substances comprised within the item inserted by this sub-paragraph) shall be omitted;

(*f*) the item "2-*p*-Chlorophenyl-3-methylbutane-2:3-diol" shall be omitted, and after the item beginning with the word "Phenadoxone" there shall be inserted the item "Phenaglycodol" (being a different name for the same substance);

(*g*) after the item "Croton, oil of" there shall be inserted the items "Cyclarbamate", "Cycrimine (1-cyclopentyl-1-phenyl-3-piperidinopropan-1-ol); its salts" and "Dehydroemetine; its salts";

(*h*) after the item "Demecarium bromide" there shall be inserted the item "Desipramine; its salts";

(*i*) after the item beginning with the word "Diacetylnalorphine" there shall be inserted the item "Diazepam";

(*j*) after the item beginning with the word "Etoxeridine" there shall be inserted the items "Fentanyl; its salts", "Fluoroacetamide" and "Fluoroacetanilide";

(*k*) after the item "Hexapropymate" there shall be inserted the item "Hydrazines, benzyl, phenethyl and phenoxyethyl; their α-methyl derivatives; acyl derivatives of any of the foregoing substances comprised in this item; salts of any compounds comprised in this item" and accordingly the items "Isocarboxazid; its salts", "α-Methylbenzylhydrazine", "Phenelzine; its salts", "Pheniprazine; its salts" and "Phenoxypropazine; its salts" (being substances comprised within the items inserted by this sub-paragraph) shall be omitted;

(*l*) after the item beginning with the word "Methaqualone" there shall be inserted the item "Methixene; its salts";

(*m*) after the item beginning with the word "Normorphine" there shall be inserted the item "Nortryptyline; its salts";

(*n*) after the item "Opium" there shall be inserted the item "Orphenadrine; its salts";

(*o*) after the item "Paramethadione" there shall be inserted the item "Pargyline; its salts";

(*p*) after the item "Phenbutrazate" there shall be inserted the item "Phencyclidine; its salts";

(*q*) for the item beginning with the word "Phenylethylhydantoin" there shall be substituted the item "5-Phenylhydantoin; its alkyl and aryl derivatives; their salts";

(*r*) after the item "Polymethylenebistrimethylammonium salts" there shall be inserted the item "Procyclidine; its salts";

(*s*) after the item beginning with the word "Propoxyphene" there shall be inserted the items "Prothipendyl; its salts" and "Quinethazone";

(*t*) for the item "Triclofos; its salts" there shall be substituted the item "2, 2, 2-Trichloroethyl alcohol, esters of; their salts" (in which item triclofos and its salts are comprised);

(*u*) after the item beginning with the word "Trimeperidine" there shall be inserted the item "Trimipramine; its salts".

2. *In Part II of the Poisons Schedule*—

(*a*) in the item beginning with the word "Dinitrocresols" for the letters in parenthesis following that word, namely "DNC", there shall be substituted the letters "DNOC";

(*b*) the item "Fluoroacetamide; fluoroacetanilide" shall be omitted (the said substances being by this Order inserted in Part I of the Poisons Schedule);

(*c*) in the item beginning with the words "Phosphorus compounds, the following", after the word "Amiton" there shall be inserted the words "azinphos-ethyl", after the word "dimefox" there shall be inserted the word "disulfoton", for the words "2-methoxycarbonyl-1-methylvinyl dimethyl phosphate" there shall be substituted the word "mevinphos" (being another name for the same substance), after the word "mipafox" there shall be inserted the words "oxydemeton-methyl", after the word "phenkapton" there shall be inserted the word "phorate" and at the end there shall be added the word "vamidothion".

SECOND SCHEDULE

The Poisons Schedule

PART I

Acetanilide; alkyl acetanilides
Acetohexamide
Acetylcarbromal
Acetyldihydrocodeine; its salts
Alkali fluorides other than those specified in Part II of this Schedule
Alkaloids, the following; their salts, simple or complex; their quaternary compounds:—

Aconite, alkaloids of
Atropine
Belladonna, alkaloids of
Brucine
Calabar bean, alkaloids of
Coca, alkaloids of
Cocaine
Codeine
Colchicum, alkaloids of
Coniine
Cotarnine
Curare, alkaloids of; curare bases
Ecgonine; its esters
Emetine
Ephedra, alkaloids of
Ergot, alkaloids of
Gelsemium, alkaloids of
Homatropine

Hyoscine
Hyoscyamine
Jaborandi, alkaloids of
Lobelia, alkaloids of
Morphine
Papaverine
Pomegranate, alkaloids of
Quebracho, alkaloids of, other than the alkaloids of red quebracho
Rauwolfia, alkaloids of; their derivatives
Sabadilla, alkaloids of
Solanaceous alkaloids not otherwise included in this Schedule
Stavesacre, alkaloids of
Strychnine
Thebaine
Veratrum, alkaloids of
Yohimba, alkaloids of

Allylisopropylacetylurea
Allylprodine; its salts
Alphameprodine; its salts
Alphaprodine; its salts
Amidopyrine; its salts; amidopyrine sulphonates; their salts
Amino-alcohols esterified with benzoic acid, phenylacetic acid, phenylpropionic acid, cinnamic acid or the derivatives of these acids; their salts
p-Aminobenzenesulphonamide; its salts; derivatives of *p*-aminobenzenesulphonamide having any of the hydrogen atoms of the *p*-amino group or of the sulphonamide group substituted by another radical; their salts
p-Aminobenzoic acid, esters of; their salts
β-Aminopropylbenzene and β-aminoisopropylbenzene and any compound structurally derived from either of those substances by substitution in the side chain or by ring closure therein (or by both such substitution and such closure), except ephedrine, N-methylephedrine, N-diethylaminoethylephedrine, phenylpropanolamine and prenylamine; any salt of any substance falling within this item.
Amitriptyline
Amyl nitrite
Androgenic, oestrogenic and progestational substances, the following:—

Benzoestrol
Derivatives of stilbene, dibenzyl or naphthalene with oestrogenic activity; their esters
Steroid compounds with androgenic or oestrogenic or progestational activity; their esters

Anileridine; its salts
Anti-histamine substances, the following; their salts; their molecular compounds:—

Antazoline
Bromodiphenhydramine
Buclizine
Carbinoxamine
Chlorcyclizine
Chlorpheniramine
Cinnarizine
Clemizole
Cyclizine
Cyproheptadine
3-Di-*n*-butylaminomethyl-4, 5, 6-trihydroxyphthalide
Diphenhydramine
Diphenylpyraline
Doxylamine
Isothipendyl
Mebhydrolin
Meclozine
Phenindamine
