or revocation shall have been received by the Board at its office before the commencement of the meeting or adjourned meeting at which the proxy is used.

10. Minutes shall be kept of the proceedings of the Board and any such minutes shall, if signed by any person purporting to have acted as chairman of the meeting or at a meeting at which they were read, be evidence of the proceedings at the first-mentioned meeting, and a meeting to which any such minutes relate shall, unless the contrary is proved, be taken to have been regularly convened and constituted.

11. The Board shall have an office at which communications and notices will at all times be received.

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order, which is made under the Industrial Training Act (Northern Ireland) 1964, establishes an industrial training board to be known as the Construction Industry Training Board, and defines the industry to which it relates. Provision is made as to the membership of the Board and its meetings and proceedings.

1964. No. 146 **[C]**

INDUSTRIAL TRAINING

Engineering Industry Training Board

ORDER, DATED 21ST SEPTEMBER, 1964, MADE BY THE MINISTRY OF LABOUR AND NATIONAL INSURANCE UNDER THE INDUSTRIAL TRAINING ACT (NORTHERN IRELAND) 1964.

The Ministry of Labour and National Insurance (hereinafter referred to as "the Ministry") after consultation with organisations and associations of organisations appearing to it to be representative respectively of substantial numbers of employers engaging in the activities hereinafter mentioned and of substantial numbers of persons employed in those activities and with the bodies established for the purpose of carrying on under public ownership industries in which the said activities are carried on to a substantial extent and in exercise of the powers conferred by section 1 of, and paragraphs 1 and 7 of Schedule 1 to, the Industrial Training Act (Northern Ireland) 1964(a) (hereinafter referred to as "the Act") and of all other powers enabling it in that behalf, hereby makes the following Order:

Citation and commencement

1. This Order may be cited as the Industrial Training (Engineering Board) Order (Northern Ireland) 1964 and shall come into operation on 28th September, 1964.

(a) 1964. c. 18 (N.I.).

Establishment of Industrial Training Board

2. An industrial training board to be known as the Engineering Industry Training Board (hereinafter referred to as "the Board") is hereby established to exercise in relation to the activities specified in Schedule 1 as the activities of the engineering industry the functions conferred on industrial training boards by the Act.

Membership and proceedings of the Board

3. The provisions of Schedule 2 shall have effect in relation to the Board.

Sealed with the Official Seal of the Ministry of Labour and National Insurance for Northern Ireland this 21st day of September, nineteen hundred and sixty-four.

(L.S.) *Ronald Green,*
Secretary.

SCHEDULE 1

The Engineering Industry

1. Subject to the provisions of this Schedule, the activities of the engineering industry are the following activities in so far as they are carried out in Northern Ireland:—

(*a*) the quarrying or mining of iron ore or the treatment or preparation of iron ore for smelting;

(*b*) the smelting of iron ore in a blast furnace with or without other metalliferous materials or the production of iron by any other process;

(*c*) the production of steel by any process;

(*d*) when carried out in association with any of the foregoing activities—
(i) the quarrying of limestone;
(ii) the production of coke;
(iii) the casting of iron or steel by any process;
(iv) the production with or without heat of any iron or steel forgings;
(v) the annealing or heat treatment of steel;

(*e*) the rolling, with or without heat, of iron or steel products for the purpose of reducing the cross-sectional area thereof;

(*f*) the production from iron or steel of bright bars, hot finished tubes or hot finished pipes;

(*g*) the production of tinplate, terneplate, iron or steel wire, or steel wire ropes;

(*h*) when carried out in association with any of the foregoing activities the production of galvanised or other coated steel sheets;

(*i*) the production of any non-ferrous metal or semi-manufactured sections from such metal, including the operations of smelting, refining, casting, rolling, drawing, extruding or forging;

(*j*) the manufacture of—
(i) any article wholly or mainly from metal or any combination of metal and plastics material;
(ii) any vehicle body;

(iii) any aircraft, helicopter, glider, hover vehicle (that is to say, a vehicle designed to be supported on a cushion of air) or guided missile;

(iv) any article embodying a lens or prism;

(v) any primary cell or battery or electric accumulator;

(vi) any electric cable, electric filament lamp, electric discharge lamp or photographic flash bulb;

(vii) any thermionic, cold cathode or photo-cathode valve or tube, cathode-ray tube, electric capacitor or resistor, any device using ferrite for electrical purposes or any semi-conductor device;

(viii) any artificial teeth, eyeglasses, jewellery, jewel cases, lampshades or spectacles;

(ix) any pattern for the purpose of engineering;

(*k*) the installation, testing, inspection or repair of any article (whether or not so described) specified in sub-paragraph (*j*) above;

(*l*) electro-plating, anodising, polishing, burnishing, tempering, case-hardening, annealing or any other metal finishing process;

(*m*) the machining of graphite;

(*n*) the preparation of any engineering drawing;

(*o*) when carried out in conjunction with any of the foregoing activities, any of the following activities, that is to say—

(i) research, development, design or drawing;

(ii) operations in connection with sale, packing, warehousing, distribution or transport;

(iii) work done at any office or laboratory, at any store, warehouse or similar place or at a garage;

(*p*) any other activity of industry or commerce carried out at or from any establishment engaged mainly in one or more of the foregoing activities.

2. Notwithstanding anything contained in this Schedule, there shall not be included in the activities of the engineering industry:—

(*a*) the activities of any establishment engaged wholly or mainly in the activities following, or any of them, that is to say—

(i) the processing of plastics material;

(ii) the manufacture or repair of any of the following articles or any article similar thereto, that is to say, artificial flowers, ballpoint or fountain pens, belts, braces, brooms, brushes, clothing, document cases or covers, footwear, handbags, pencils, purses, straps, suitcases, toys and games or wallets;

(iii) the manufacture of paint;

(iv) electro-typing, sterio-typing, typesetting, typecasting, or the preparation of lithographic plates or engraving for the purpose of printing;

(v) operations carried out at or from a yard or dry dock (including the precincts thereof) or a harbour or wet dock in the construction, reconstruction, repair, refitting, painting or finishing of ships or vessels or other floating construction;

(vi) the erection of steel or other metal framework of buildings, or of structures made wholly or mainly of steel or other metal;

(vii) the provision or continued provision for a building or any civil engineering work of water, gas, electricity, lighting, heating or ventilation, being operations undertaken in, upon, above or under the building, or the close, curtilage or precincts thereof, or the civil engineering work or the site of a building or such a work;

(viii) the installation of metal windows;

(ix) the repair of mechanically propelled vehicles on roads; or

(x) the provision by the Ulster Transport Authority, or a local authority of a road transport passenger service;
