FIRST SCHEDULE

Terms of Purchase

1. Save as provided in Section 4(3) of the Act the Ministry shall purchase all seed presented to it in accordance with paragraph 4 of this Schedule provided that it shall not be required to purchase any seed offered later than the 31st December, 1963, but the Minister may in his discretion fix a later date.

2. The grower shall notify the Ryegrass Seed Branch of the Ministry at 2-4 Queen Street, Belfast, 1, by post on a card in the form prescribed in the Second Schedule when he has seed for sale.

3. On receipt of a notification that a grower has seed for sale the Ministry shall arrange for one of its authorised officers to visit the grower.

4. Seed shall be presented in open bags by the grower on his farm to the Ministry's authorised officer who shall examine it and if satisfied that it is of suitable quality and that it is not damp or showing evidence of having been heated, shall sample and seal the seed (in the manner prescribed in the following paragraphs), but if he be not so satisfied he shall refuse to sample and seal it.

5. The Ministry's authorised officer shall draw a sample from the bulk and this sample shall be divided into two portions, one of which duly sealed which shall be known as the "Grower's Sample", shall be handed to the grower or his representative and shall be regarded as a receipt for the seed; the other portion

which shall also be sealed and which shall be known as the "Ministry's Sample" shall be sent to the Ministry's offices at 2-4 Queen Street, Belfast, 1, for the purpose of grading.

6. The Ministry's authorised officer after sampling the seed shall seal and label the bags in which the seed has been presented and shall place identification marks on the labels.

7. The sample packets containing the two portions of the sample shall each show the name and address of the grower, the number of bags sampled, the kind of seed and the identification number allotted by the Ministry's authorised officer.

8. The Ministry shall as soon as may be after the seed has been sampled and sealed notify the agent named by the grower that the seed is ready for marketing.

9. A grower whose seed has been sampled and sealed shall not be at liberty to withdraw it.

10. The grower after his seed has been sampled and sealed shall arrange to deliver it to the agent or sub-agent already nominated by him free of freight charges between the hours of 9 a.m. and 3 p.m. at his local grass-seed market (or such other centre as may in exceptional circumstances be approved by the Ministry) and the seed shall be weighed in the presence of the agent or sub-agent over a public weigh-bridge or, if a public weigh-bridge is not available, over a weigh-bridge approved for the purpose by the Ministry. Alternatively the seed may be delivered at the warehouse of a duly appointed agent provided that no greater transport costs are incurred by the Ministry than would have been incurred if the seed had been delivered by the grower at his local market.

11. After being weighed the seed shall become the propery of the Ministry, and the agent shall take delivery thereof on behalf of the Ministry and shall be responsible for ensuring that the number of bags and the weight of seed delivered are correct.

12. Seed delivered direct to an agent's warehouse shall be weighed over the agent's approved weigh-bridge. Seed may be accepted at such warehouses on such days and between such hours as may be determined by the Ministry.

13. The weight of the seed as disclosed by the market or approved weigh-bridge shall be final and conclusive; but there shall be a uniform deduction for tare on bags of 2 lb. per bag which shall be shown on the purchase docket.
