EXPLANATORY NOTE

(This note is not part of the Regulations, but is intended to indicate their general purport.)

These Regulations amend various provisions of regulations made under the National Insurance Acts (Northern Ireland) 1946 to 1962 in order to bring them into conformity with the provisions of the Act of 1963 introducing higher rates of ungraduated contributions and a higher upper limit of weekly pay taken into account in fixing graduated contributions. They also contain tables of equivalent pension benefits, to be used in determining whether a person is assured of such benefits at the end of a period of non-participating employment.

The remaining provisions are of a minor character.
