Sealed with the Official Seal of the Ministry of Finance for Northern Ireland this twenty-fifth day of October, nineteen hundred and sixty-two, in the presence of

(L.S.) *K. R. Shimeld,*
Assistant Secretary.

EXPLANATORY NOTE

(This note is not part of the Scheme but is intended to indicate its general purport.)

This Scheme revokes the Schemes hitherto in force that permitted the Ministry to make loans to farmers to assist the purchase of livestock, including pigs and poultry, bulls and stallions. It re-enacts the principal provisions of these Schemes but extends the maximum period for which loans may be made, limits the amount that may be advanced to the net outlay having regard to any subsidies that may be payable, increases the maximum amount which may be advanced without the special permission of the Ministry of Finance and makes the conditions applying to loans for the purchase of bulls and stallions uniform with those applying to loans for the purchase of other kinds of livestock. It permits loans to be made to farmers who wish to expand their flocks and herds by retaining stock of their own breeding.
