EXPLANATORY NOTE

(This note is not part of the Regulations, but is intended to indicate their general purport.)

The existing Regulations provide for the payment of compensation allowances to certain principals or vice-principals of grant-aided schools whose principals' or vice-principals' allowances are discontinued or reduced as a result of the transfer of pupils from their schools through educational reorganisation.

The purpose of these amending Regulations is to extend the right to receive a compensation allowance to certain principals and vice-principals whose allowances, as a result of educational reorganisation which took place before 1st January, 1962, are less than they would have been if that reorganisation had not taken place, but who had not by 1st January, 1962, satisfied all the conditions for the award of compensation.
