animals or poultry any waste food which has been collected, unless it has also been boiled in a plant licensed for this purpose.

The Order also requires that—

(*a*) precautions be taken to prevent animals, feeding stuffs, etc., coming in contact with unboiled waste food;

(*b*) vehicles and containers be disinfected after each occasion on which they are used for the carriage of unboiled waste foods before they are again used for the carriage of animals, poultry, feeding stuffs or anything intended to be used for or about animals or poultry;

(*c*) persons licensed to boil waste foods on their premises and persons who receive boiled waste food on to their premises shall not sell, except for immediate slaughter, any swine fed on those premises.
