EXPLANATORY NOTE

(This note is not part of the Regulations but is intended to indicate their general purport.)

The existing Regulations provide for the payment in respect of a school not managed by a local education authority of grants equal to the salaries and allowances payable by the school authorities to the teachers who are appointed in accordance with the Regulations. These amending Regulations continue this provision and also provide for a grant to the school authorities equal to sixty-five per cent. of the approved expenditure incurred by them on the employment of class assistants.
