EXPLANATORY NOTE

(This Note is not part of the Regulations but is intended to indicate their general purport.)

These Regulations provide that, where that part of a teacher's annual superannuation allowance which is in respect of non-participating employment falls to be reduced because the teacher's retirement has been accelerated by misconduct, the amount remaining after the reduction shall never be less than the maximum graduated National Insurance pension which would have been payable if the employment had been participating.

The Regulations also provide for the charging of expenditure in respect of payments in lieu to the Teachers Superannuation Account and make minor amendments consequent upon the power given to employers under Section 9 of the National Insurance Act (Northern Ireland), 1959, to recover half of a payment in lieu from a repayment of contributions.
