EXPLANATORY NOTE

(This note does not form part of the Order, but is intended to indicate its general purport.)

This Order replaces the Tuberculosis (Movement of Cattle) Order (Northern Ireland), 1959, and renews the ban on the importation of untested cattle from the Republic of Ireland. It provides for the identification and documentation of cattle shipped to Great Britain, and for the continuance of the restrictions at present applied on entry into Counties Antrim and Londonderry.
