NOTES

1. This form of certificate must be signed by a Veterinary Surgeon appointed by the Government of the country of origin except that where the semen is obtained from a bull located at a recognised artificial insemination centre in Great Britain or the Republic of Ireland the certificate may be signed by the Veterinary Surgeon in charge of such centre.

2. The original of this certificate must be forwarded by post to the Secretary, Ministry of Agriculture, Stormont, Belfast.

3. Each consignment of semen must be accompanied by one copy of the certificate affixed to the outside of the package.

EXPLANATORY NOTE

(This note is not part of the Regulations, but is intended to indicate their general purport.)

1. These Regulations provide for a general service insemination fee of 25/- for pedigree and non-pedigree cows and for a nominated service fee of 40/- which enables a herd owner to specify the bull from which semen is required.

2. The charge of 5/- for a certificate to enable the resulting progeny to be entered in a Herd Book or Register is re-introduced.

3. Charges are prescribed for collection and storage of semen for herd owners.

4. There is also a drafting amendment covering the importation of semen into Northern Ireland.
