(*b*) only eggs produced on the owner's farm from 2nd year (or older) hens which formed the previous year's accredited pens are hatched;

(*c*) all chicks are disposed of as day-olds and as hatched;

(*d*) suitable facilities shall be available for ensuring cleanliness and the avoidance of the spread of disease, together with sufficient space to allow pure-bred and first cross chicks to be boxed, and the boxes placed ready for despatch; normally this will entail the provision of a separate incubator room, despatch room and a wash room fitted with a supply of hot and cold water;

(*e*) two white or predominantly white breeds shall not be mated together, with the exception that White Leghorn males may be mated with Light Sussex females, and Light Sussex males may be mated with White Leghorn females;

(*f*) a Light Sussex male shall not be used for crossing with hens of any breed other than White Leghorn."

EXPLANATORY NOTE

This Scheme which amends the Accredited Poultry Farms (Northern Ireland) Scheme, 1958, gives the Ministry power to permit on specified conditions the sale by accredited farms of day-old as hatched chicks for table purposes in the closed season.
