EXPLANATORY NOTE

(*This note is not part of the Scheme, but is intended to indicate its general purport.*)

This scheme is made under Section 6 of the Agriculture Act (Northern Ireland), 1949, and provides for the payment of contributions to occupiers of not more than 50 acres of arable land in Northern Ireland, in respect of fertilisers bought by them between 1st July, 1958, and 30th June, 1959, inclusive, for improving the fertility of the soil.

The scheme which succeeds and is similar to the Agricultural Development (Fertiliser) Scheme (Northern Ireland), 1957, again provides for contribution at a reduced rate on nitrogenous, phosphatic and potassic fertilisers.

Provision is made to terminate the scheme during the operative period in the event of the introduction of a general scheme providing similar type of assistance to farmers.
