EXPLANATORY NOTE

(This note is not part of the regulations, but is intended to indicate their general purport.)

These regulations contain miscellaneous amendments to the National Insurance (Contributions) Regulations (Northern Ireland), 1948. Regulation 2 permits a person who is excepted from liability to pay, and is credited with, a contribution to pay contributions as a non-employed person. Regulation 3 provides that a person may be credited with a contribution if otherwise entitled notwithstanding that he is disqualified for receiving benefit through failure to satisfy the provisions regarding the making of claims. Regulation 4 excepts persons over pensionable age from liability to pay a contribution while unemployed or incapable of work. Regulation 5 amends the definition of unemployability supplement in relation to exception from liability to pay contributions as a non-employed person. Regulation 6 extends the definition of full time education, unpaid apprenticeship and training. Regulation 7 modifies the existing provisions concerning the production of evidence for the purpose of being credited with contributions. Regulation 8 amends the provisions concerning pre-entry credits for persons who having been absent from Northern Ireland first enter insurance after the age of sixteen, and those concerning credits for persons under sixteen. Regulation 9 modifies the existing provisions concerning the contribution to be taken into account where more than one contribution has been paid or credited in any week. Regulation 10 provides that contributions treated as contributions of another class under regulation 3 of the National Insurance (Seasonal Workers) Regulations (Northern Ireland), 1950, may be so treated for the purpose of satisfying the conditions in the schedule for unemployment credits.
