## EXPLANATORY NOTE

*(This Note is not part of the Rules, but is intended to indicate their general purport.)*

Under Section 14 of the Teachers (Superannuation) Act (Northern Ireland), 1950, a teacher may, in accordance with rules made under the Act, surrender on retirement a part of his pension and obtain a pension for his spouse or other dependant; the Teachers Superannuation (Allocation) Rules (Northern Ireland), 1951, set out the procedure. Section 10 of the Teachers (Superannuation) (Amendment) Act (Northern Ireland), 1956, has extended the provisions of Section 14 of the 1950 Act so as to give the same right to a continuing teacher, that is to say a teacher who does not retire from his employment but who would have become entitled to a pension if he had done so. The new rules accordingly revoke and re-enact the provisions of the 1951 rules with additions to cover the case of the continuing teacher, who will be able to make his allocation at the date he becomes entitled to retire on pension, or at any time thereafter. Certain minor amendments are also made.
