FLAX

REGULATIONS DATED 28TH DECEMBER, 1956, MADE BY THE MINISTRY OF AGRICULTURE UNDER SECTION TWENTY OF THE FLAX ACT (NORTHERN IRELAND), 1954, WITH THE APPROVAL OF THE MINISTRY OF FINANCE, SO FAR AS IT IS REQUIRED BY THAT ACT.

1956. No. 208 [C]

In exercise of the powers conferred upon it by section twenty of the Flax Act (Northern Ireland), 1954(a), and of all other powers it thereunto enabling, the Ministry of Agriculture, with

(a) 1954, c. 14.

the approval, so far as it is required by the said Act, of the Ministry of Finance, and after consultation, so far as it is required as aforesaid, with representatives of persons whose interests appear to the Ministry to be likely to be affected, hereby makes the following Regulations:—

Short title and commencement

1.—(1) These Regulations may be cited as the Flax (General) Regulations (Northern Ireland), 1956.

(2) These Regulations shall come into force on 1st August, 1957.

Interpretation

2. In these Regulations, unless the context otherwise requires, the expression—

" the Act " means the Flax Act (Northern Ireland), 1954, and

" the Ministry " means the Ministry of Agriculture.

Records and returns

3. Persons to whom licences are issued by the Ministry under section two or section three of the Act and persons with whom arrangements are entered into by the Ministry under or for the purposes of section four of the Act shall—

(*a*) keep such a record of each of their purchases and sales of flax straw, flax or re-scutched tow as will show—

(i) the date thereof;

(ii) the name and address of the other party to the transaction;

(iii) the grade (if any) of any flax or re-scutched tow purchased or sold;

(iv) the weight of any flax straw, flax or re-scutched tow purchased or sold, particulars of hand scutched flax and turbine scutched flax being recorded separately; and

(v) the price; and

(*b*) furnish to the Ministry—

(i) within one week from the date of any purchase of any such flax straw, flax or re-scutched tow, the aforesaid particulars of that purchase; and

(ii) from time to time on the request of the Ministry, the aforesaid particulars of any sale of any such flax straw, flax or re-scutched tow.

Grading of Flax

4. Any dispute between the holder of a licence issued by the Ministry under section two of the Act and any flax grower as to the grading of any flax, being a dispute arising out of the purchase of that flax by the holder of the said licence shall be determined in the manner provided by the First Schedule to these Regulations.

Definition of "Grower" for purposes of certain payments under the Act

5. For the purposes of making payments under section nine or section ten of the Act in connection with any flax or flax straw the grower of the flax straw (whether retted or unretted) from which the flax sold is produced, or, as the case may be, the grower of the unretted flax straw sold, shall be deemed to be—

(*a*) the person who sells such flax or flax straw to the person authorised by the Ministry under the Act to buy it; or, at the option of the Ministry,

(*b*) the person on whose behalf such flax or flax straw is so sold.

Payment in certain cases to a person other than the grower

6. Where a person appearing to be entitled to receive a payment under section nine or section ten of the Act dies before payment thereof has been made to him, the said payment may, on production of probate, letters of administration or other satisfactory evidence of entitlement, be paid by the Ministry for the benefit of his estate.

Provision to secure that certain payments are properly made

7. Where

(*a*) a payment falls to be made under section ten of the Act in respect of any unretted flax straw; and

(*b*) the Ministry is satisfied that at the time of the delivery of that flax straw to a flax processor or to a scutch mill, the straw contained an undue amount of weeds or other extraneous matter, or was not in a sound, dry condition; the Ministry may make such a deduction from the amount of the payment falling to be made as aforesaid as it considers necessary in order to secure that payment is made in respect only of the actual weight of flax straw sold.

Standards for scutching

8.—(1) The scutching of dam-retted flax straw or rough tow shall not be deemed to be efficient unless in the case of flax straw, it complies with the standards specified in paragraph (2) of this Regulation or, in the case of rough tow, it complies with the standards specified in paragraph (3) thereof.

(2) Standards for scutching of flax straw—

(*a*) Each strick of scutched flax fibre shall be—

(i) reasonably free from shives;

(ii) free from knots;

(iii) free from an excessive amount of damaged fibre due to over-scutching;

(iv) well shaped and even at the root end; and

(v) free from tow; and

(*b*) the finished stricks of fibre shall be made up into neat bundles tied with thin cords made from long flax fibres.
