Consent of Ministry to unofficial tuberculin tests

6. No animals in the herd shall be submitted to the tuberculin test without the consent of the Ministry.

Vaccination

7. No animals in the herd shall be vaccinated against tuberculosis.

Entry and Examination by Inspector

8. The owner of a Supervised Herd shall give all reasonable facilities for the entry of an Inspector of the Ministry into the premises for the purpose of an examination of the premises, and of the animals thereon, and of the records required to be kept or permits issued for the purposes of this Scheme. The owner shall furnish to the Inspector all such information as may reasonably be required by the Inspector for the purposes of the administration of the Scheme.

9. These Rules may be extended by the addition of other Rules or may be amended by the Ministry as may be deemed necessary or desirable. All such additions and amendments will be immediately notified by the Ministry to the owners of all Supervised Herds.

Marketing of Fruit

RULES, DATED THE 16TH SEPTEMBER, 1954, MADE BY THE MINISTRY OF AGRICULTURE UNDER SECTION 15 OF THE MARKETING OF FRUIT ACT (NORTHERN IRELAND), 1931 (21 AND 22 GEO. 5. c.8).

1954. No. 141

The Ministry of Agriculture in exercise of the powers conferred upon it by Section Fifteen of the Marketing of Fruit Act (Northern Ireland), 1931, and of every other power enabling it in that behalf, orders, and it is hereby ordered as follows:—

Definitions

1. In these Rules:—

(1) the expression "Ministry" shall mean the Ministry of Agriculture;

(2) the expression "authorised" shall mean authorised by the Ministry of Agriculture.

Application

2. These Rules shall apply to apples only.

Licences

3.—(1) Application for a licence shall be made in the form or to the effect stated in the First Schedule to these Rules.

(2) A licence shall be in the form or to the effect stated in the Second Schedule to these Rules.

Permits

4.—(1) Application for a permit may be made in the form or to the effect stated in the Seventh Schedule to these Rules.

(2) A Permit may be in the form or to the effect stated in the Eighth Schedule to these Rules.

Conditions to be observed by licence-holders or permit-holders when consigning Apples from Northern Ireland under the authority of a licence or permit

5.—(1) A licence-holder shall maintain in Northern Ireland premises including storage and other facilities satisfactory to the Ministry for the handling and packing of apples.

(2) A licence-holder or permit-holder shall:—

(*a*) not send any apples out of Northern Ireland to Great Britain or the Isle of Man save under the authority of his own licence or permit, the number of which shall be clearly marked on each container;

(*b*) be responsible for the standard of the contents of each container;

(*c*) furnish to the carrier or person conveying the apples a Return of Shipment to accompany the consignment in the form or to the effect stated in the Sixth Schedule to these Rules. Where such consignment is loaded in two or more vehicles, the licence-holder or permit-holder shall furnish a separate Return of Shipment in respect of each vehicle. Where two or more consignments are loaded in one vehicle, the licence-holder or permit-holder shall furnish a separate Return of Shipment in respect of each consignment.

(3) Graded apples sent by licence-holders or permit-holders from Northern Ireland to Great Britain or the Isle of Man under the authority of a licence or permit shall be:—

(*a*) of the standards of quality as laid down in the Third Schedule to these Rules; and

(*b*) in containers which are of the types specified in the Fourth Schedule to these Rules and which are packed and marked as laid down in that Schedule.

Consignment of Culinary Apples below "Domestic" standard

6. Notwithstanding any provisions of these Rules, culinary apples which fail to reach the requirements for "Domestic" Standard as laid down in the Third Schedule to these Rules but which are "Seconds" (as defined in Part I of the Fifth Schedule to these Rules) may be sent for the fresh fruit market to Great Britain or the Isle of Man on and after 1st October in each season, subject to the conditions that they shall be packed only in Box "Z" or in half-barrels (kegs), the specifications for the construction of which are given in the Fourth Schedule, and shall conform to the other requirements laid down in that Schedule.

Grade Designation

7. The designations Fancy ("F") and Domestic ("Dom"), referred to in the Third Schedule to these Rules, shall be the "grade designations" for the purposes of Section 10 of the Marketing of Fruit Act (Northern Ireland), 1931, and the standard as to quality laid down in the Third Schedule to these Rules shall be the definition of quality referred to in that Act as "the statutory definition."

THIRD SCHEDULE

MARKETING OF FRUIT ACT (NORTHERN IRELAND), 1931

Standards of Grading and Quality

FANCY ("F")

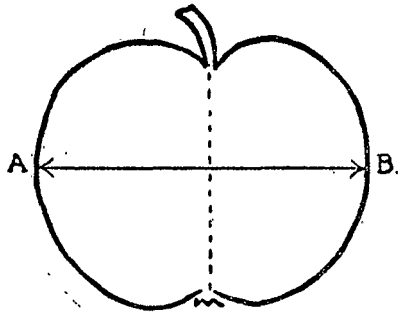

Grading	*Quality*
For apples of a shape and colour characteristic of the variety. The diameter of any apple in this grade shall not be less than 2½ inches for culinary apples and not less than 2 inches for dessert apples.	Apples shall be clean and in good condition, and shall be free from such blemishes or mechanical injuries as are calculated to impair their keeping qualities. Skin blemishes shall not exceed a total area of ½ inch square on any one culinary apple or ⅜ inch square on any one dessert apple.

DOMESTIC ("DOM")

Grading	*Quality*
For apples of a reasonably uniform shape. The diameter of any apple shall not be less than 2¼ inches for culinary apples and not less than 2 inches for dessert apples.	Apples shall be clean and in good condition, and shall be free from such blemishes or mechanical injuries as are calculated to impair their keeping qualities. Skin blemishes shall not exceed a total area of ¾ inch square on any one culinary apple, or ⅝ inch square on any one dessert apple.

N.B.1—"Clean" means free from dirt, spray residue and other foreign material.

N.B.2—The diameter as referred to above means the longest transverse dimension taken at right angles to a line running from the eye (blossom) to the stem as shown in the following illustration:—

The diameter of the apple in above sketch is the distance between the points A and B.
