Nature of the work or process for which it is proposed to use the room.....

Whether mechanical power is proposed to be used and, if so, for what purpose or purposes.....

Signature of occupier or signature and description of person signing on behalf of firm

.....

Date.....

NOTE :—In the case of any underground room which on 1st July, 1939, did not form part of a factory or was not used as a workroom in a factory or was used only for the purpose of storage, section 54 (2) of the Factories Act (Northern Ireland), 1938, requires the occupier, before the room is used as a factory or part of a factory for work, and not only for the purpose of storage, to give notice in the prescribed form and containing the prescribed particulars to the Chief Inspector.

" Underground Room," for this purpose, is defined as meaning any room which or any part of which is so situate that half or more than half the whole height thereof, measured from the floor to the ceiling, is below the surface of the footway of the adjoining street or of the ground adjoining or nearest to the room.
