premises, or classes of premises, in which electrical energy is generated, transformed or used at low-pressure, as the Ministry may direct.

35. Every sub-station shall be substantially constructed, and shall be so arranged that no person other than an authorised person can obtain access thereto otherwise than by the proper entrance, or can interfere with the apparatus or conductors therein from outside, and shall be provided with efficient means of ventilation and be kept dry.

36. Every sub-station shall be under the control of an authorised person, and none but an authorised person or a person acting under his immediate supervision shall enter any part thereof where there may be danger.

37. Every underground sub-station not otherwise easily and safely accessible shall be provided with adequate means of access by a door or trap-door, with a staircase or ladder securely fixed and so placed that no live part of any switchboard or any bare conductor shall be within reach of a person thereon : Provided, however, that the means of access to such sub-station shall be by a doorway and staircase (*a*) if any person is regularly employed therein, otherwise than for inspection or cleaning, or (*b*) if the sub-station is not of ample dimensions and there is therein either moving machinery other than ventilating fans or extra high-pressure.

Sealed with the Official Seal of the Ministry of Labour for Northern Ireland this 1st day of October, 1945, in the presence of
