apply to any work carried out for a purpose specified in the Table set out in Part V of the said Schedule.

(2) In this order, the expression "a property" means, in relation to any work carried out at any time—

(*a*) any property the full value of which was ascertained for the purposes of an assessment under Schedule A in force at that time ; or

(*b*) any property which, not being or forming part of a property to which sub-paragraph (*a*) of this paragraph applies, was at that time the subject of a valuation shown in the Valuation List for the time being in force under the Valuation Acts (Northern Ireland), 1852 to 1940 ; or

(*c*) in a case where the work is carried out on property which is not and does not form part of a property to which sub-paragraph (*a*) or sub-paragraph (*b*) of this paragraph applies, the building or site on which the work is carried out, together with any land or building occupied with that building or site :

Provided that, where any building which would constitute a property for the purposes of this order comprises two or more parts which are occupied or constructed for occupation as separate dwellings, each of those parts shall be deemed to be a separate property for the said purposes and the remainder of the building shall also be deemed for the said purposes to be a separate property.

4.—The Control of Building Operations (Northern Ireland) Order, 1942 is hereby revoked.

5.—This order may be cited as the Control of Building Operations (Northern Ireland) Order, 1945.

Sealed with the Official Seal of the Ministry of Finance for Northern Ireland this nineteenth day of July, 1945, in the presence of

(Signed) *W. D. Scott,*
Permanent Secretary.

Pre-Cast Building Units

1945. No. 95

The Ministry of Finance for Northern Ireland, in exercise of the powers under Regulation 55 of the Defence (General) Regulations, 1939, delegated to the Ministry by the Secretary of State, hereby orders as follows :—

1. This Order applies to any person producing any pre-cast concrete walling units other than units which are of such a shape, size or weight that they can be manipulated by one hand.
