5.—For the prevention of the introduction of virus diseases of sugar beet and mangold, the landing in Northern Ireland of any plant of sugar beet or mangold (of the species *Beta vulgaris* Linn.) (except the seeds thereof) is hereby prohibited except under and in accordance with the conditions of a licence issued by the Ministry or by an Inspector.

Prohibition of Importation of Chrysanthemum Plants.

6.—For the prevention of the introduction of the Chrysanthemum Midge (Diarthronomyia species) the landing in Northern Ireland of any Chrysanthemum plant (except seeds thereof) from any country outside Ireland, is hereby prohibited except under and in accordance with the conditions of a licence issued by the Ministry or by an Inspector.

Restrictions on landing in Northern Ireland of certain Plants and Potatoes.

7.—(1) The landing in Northern Ireland of any of the plants mentioned in the First Schedule to this Order and of potatoes is hereby prohibited, unless each consignment is accompanied by two copies of a certificate of a duly authorised official of the Phytopathological Service of the country in which the plants or

potatoes were grown in the form prescribed in the Second Schedule to this Order. The inspection referred to in the certificate shall be carried out not more than fourteen days prior to the date of shipment. The original of the certificate shall be forwarded by post by the exporter to the Ministry of Agriculture for Northern Ireland, Stormont, Belfast, before the plants or potatoes are despatched. Except in the case of consignments imported through the post, a copy of the prescribed certificate shall be delivered to the proper Officer of Customs and Excise at the same time as and together with the entry relating to the consignment. In the case of consignments imported through the post, a copy of the prescribed certificate shall be affixed to each package.

(2) In the case of any of the plants in the First Schedule to this Order and grown in the United States of America, the certificate required by paragraph (1) of this Article shall be the certificate of an Official duly authorised by the United States Department of Agriculture.

(3) The certificate prescribed in this Article shall, except in the case of a consignment consisting wholly of potatoes, include a statement to the effect that the consignment does not contain any plant of sugar beet or mangold or any Chrysanthemum plant, or any plant of the genus Ulmus or of the undermentioned genera of the order Pinaceæ, viz., Abies, Larix, Picea, Pinus Pseudotsuga, Sequoia, Thuja and Tsuga (except the seeds thereof).

(4) In the case of any of the plants mentioned in the First Schedule to this Order and grown in European France, the certificate required by paragraph (1) of this Article shall include a certificate of an Officer of the French Service d'Inspection Phytopathologique which shall be in the Form A or the Form B set out in the Third Schedule to this Order.

(5) In the case of any of the plants mentioned in the First Schedule to this Order and of potatoes grown in Belgium, Germany, Luxemburg, the Netherlands, or Switzerland, the certificate required by paragraph (1) of this Article shall include a certificate of a duly authorised official of the Belgian, German, Luxemburg, Dutch, or Swiss Phytopathological Service, as the case may be, which shall be, where the certificate relates to a plant in the Form A or the Form B set out in the Third Schedule to this Order, as the circumstances may require, and where the certificate relates to potatoes, in the said Form A.

(6) The reference in Article 3 of the Importation of Elm Trees and Conifers (Prohibition) (Northern Ireland) Order, 1933, to the certificates prescribed in Article 4 of the Importation of Plants Order (Northern Ireland), 1933, shall be read and have effect as a reference to the certificate prescribed in paragraph (1) of this Article.

(7) Paragraphs (4) and (5) of this Article shall not apply to flower bulbs, corms, tubers or rhizomes.

(8) Nothing contained in this Article shall be deemed to permit :—

(i) the landing or transhipment in Northern Ireland of any potatoes of which the landing or transhipment is prohibited or restricted under Article (4) hereof.

(ii) the landing in Northern Ireland of any living plant of sugar beet or mangold of the species *Beta vulgaris* Linn. or of any Chrysanthemum plant of which the landing is prohibited or restricted under Articles (5) and (6) hereof.

Restrictions on the landing in Northern Ireland of Raw Vegetables.

8.—(1) The landing in Northern Ireland between the twenty-first day of April and the thirtieth day of September in any year of any raw vegetables grown in European France or Switzerland is hereby prohibited unless each consignment is accompanied by a certificate of an Officer of the French Services d'Inspection Phytopathologique or of a duly authorised official of the Swiss Phytopathological Service, as the case may be, in the Form A or the Form B set out in the Third Schedule to this Order. Provided that this restriction shall not apply before the twenty-second day of May in any year to any consignment accompanied by a certificate of a duly authorised official of the French Services d'Inspection Phytopathologique in the form set out in the Fourth Schedule to this Order.

(2) The landing in Northern Ireland between the first day of June and the thirtieth day of September in any year of any raw vegetables grown in Belgium, Germany, Luxemburg, or the Netherlands, is hereby prohibited unless each consignment is accompanied by a certificate of a duly authorised official of the Belgian, German, Luxemburg, or Dutch Phytopathological Service, as the case may be, in the Form A or the Form B set out in the Third Schedule to this Order.
