3. All processes in the manufacture of caustic soda by the ammonia soda or Solvay process or by continuous causticising process up to, but not including, concentration in caustic pots.

4. The filtering process in the manufacture of sulphate of ammonia.

5. The phosphate reaction pumping process in the manufacture of concentrated fertiliser.

6. The electrolytic process for the manufacture of caustic soda.

7. Any manufacturing process in which a mixture of nitric and sulphuric acids is employed and where risk of fire or explosion would arise if the transmission machinery were stopped.

8. All processes in the manufacture of paper or paper-board subsequent to boiling of the rag, grass or other fibre and up to and including calendering and reeling on paper or paper-board making machines, and the process of paper coating.

Docks, Building, and Engineering Construction, etc., Modification for.

REGULATIONS, DATED 10TH DAY OF MAY, 1939, MADE BY THE MINISTRY OF LABOUR UNDER SECTIONS 109, 111 AND 112 OF THE FACTORIES ACT (NORTHERN IRELAND), 1938.

1939. No. 69.

The Ministry of Labour for Northern Ireland, in pursuance of the powers conferred on it by sub-section (1), paragraph (*g*), of Section 109, sub-section (2) of Section 111 and sub-section (2) of Section 112 of the Factories Act (Northern Ireland), 1938, and of all other powers enabling it in that behalf, hereby makes the following regulations modifying and adapting certain provisions of the Act in their application to docks, wharves, quays, warehouses, building operations and works of engineering construction.

1.—Sub-section (1) of Section 122 of the Act (which requires the occupier of every factory to keep a register, called the general register, for the factory and to enter in or attach to the general register certain particulars and reports) shall, in its application to docks, wharves, quays and warehouses by virtue of Section 109 of the Act, or to building operations or works of engineering construction by virtue of Secton 111 or Section 112 of the Act, be construed as requiring every person who by virtue of Section 109, Section 111 or Section 112 is deemed to be the occupier of a factory, to keep in relation to the persons employed by him and to those provisions of the Act for the observance of which he is responsible, a general register, in the prescribed form,* in which shall be entered, or to which shall be attached, such of the particulars and reports referred to in that sub-section as may be applicable and as may be indicated in the directions given in the prescribed form.
