COMMISSION IMPLEMENTING DECISION (EU) 2019/1775

of 23 October 2019

amending Annex I to Commission Implementing Decision 2011/630/EU as regards the inclusion of the United Kingdom of Great Britain and Northern Ireland and certain of its Crown Dependencies in the list of third countries or parts thereof authorised for the introduction into the Union of semen of domestic animals of the bovine species

(notified under document C(2019) 7647)

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Directive 88/407/EEC of 14 June 1988 laying down the animal health requirements applicable to intra-Community trade in and imports of semen of domestic animals of the bovine species[(1)], and in particular Article 8(1), the first subparagraph of Article 10(2), and Article 11(2) thereof.

Whereas:

(1) On 29 March 2017, the United Kingdom submitted the notification of its intention to withdraw from the Union pursuant to Article 50 of the Treaty on European Union (TEU). On 11 April 2019, the European Council adopted Decision (EU) 2019/584[(2)] extending the period under Article 50(3) TEU in agreement with the United Kingdom. In accordance with that Decision, the period provided for in Article 50(3) TEU has been further extended until 31 October 2019. Union law will therefore cease to apply to and in the United Kingdom from 1 November 2019 (‘the withdrawal date’).

(2) Commission Implementing Decision 2011/630/EU[(3)] sets out in its Annex I a list of third countries or parts thereof from which Member States are to authorise imports of semen of domestic animals of the bovine species.

(3) The United Kingdom of Great Britain and Northern Ireland has provided the necessary guarantees for that country and certain of its Crown Dependencies to comply with the conditions laid down in Implementing Decision 2011/630/EU for the introduction into the Union of consignments of semen of domestic animals of the bovine species from the withdrawal date by continuing to comply with Union legislation for an initial period of at least nine months.

Changes to legislation: *There are currently no known outstanding effects for the Commission Implementing Decision (EU) 2019/1775. (See end of Document for details)*

(4) Therefore, taking into account these specific guarantees provided by the United Kingdom of Great Britain and Northern Ireland and in order to avoid any unnecessary disruption to trade after the withdrawal date, the United Kingdom of Great Britain and Northern Ireland and certain of its Crown Dependencies, should be included in the list of third countries or parts thereof set out in Annex I to Implementing Decision 2011/630/EU authorised for the introduction into the Union of consignments of semen of domestic animals of the bovine species.

(5) Annex I to Implementing Decision 2011/630/EU should therefore be amended accordingly.

(6) This Decision should apply from 1 November 2019, unless Union law continues to apply to and in the United Kingdom of Great Britain and Northern Ireland on that date.

(7) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Plants, Animals, Food and Feed,

HAS ADOPTED THIS DECISION:

Article 1

Annex I to Implementing Decision 2011/630/EU is amended in accordance with the Annex to this Decision.

Article 2

This Decision shall apply from 1 November 2019.

However, it shall not apply if Union law continues to apply to and in the United Kingdom of Great Britain and Northern Ireland on that date.

Article 3

This Decision is addressed to the Member States.
