COUNCIL DECISION (EU) 2019/1017

of 14 June 2019

on the position to be taken on behalf of the European Union within the Council of Members of the International Olive Council (IOC) as regards the conditions for the accession of the Government of Georgia to the International Agreement on Olive Oil and Table Olives, 2015

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 207(3), in conjunction with Article 218(9) thereof,

Having regard to the proposal from the European Commission,

Whereas:

(1) The International Agreement on Olive Oil and Table Olives, 2015 ('the Agreement') was signed on behalf of the Union in accordance with Council Decision (EU) 2016/1892[(1)] on 18 November 2016 at the United Nations Headquarters in New York, subject to its conclusion at a later date. The Agreement entered into force provisionally on 1 January 2017 in accordance with Article 31(2) thereof.

(2) The Agreement was concluded on 17 May 2019 by Council Decision (EU) 2019/848[(2)].

(3) Pursuant to Article 29 of the Agreement, the Council of Members of the International Olive Council (the 'Council of Members') is to establish the conditions for the accession of a Government to the Agreement.

(4) The Government of Georgia has formally applied to accede to the Agreement. The Council of Members should therefore be invited, during a future session thereof, or within the framework of a procedure for adoption of decisions by the Council of Members by exchange of correspondence, to establish the conditions for Georgia's accession, in respect of the participation shares in the IOC and the time limit for the deposit of the instrument of accession.

(5) Given that Georgia is developing its olive sectors as regards consumption as well as production, its accession under certain conditions could reinforce the IOC, in particular as regards the achievement of uniformity in national and international law relating to the characteristics of olive products, in order to prevent any obstacle to trade.

(6) It is appropriate to establish the position to be taken on the Union's behalf in the Council of Members, as the decisions to be adopted will have legal effects on the Union by
