Commission Implementing Decision (EU) 2019/14 of 3 January 2019 amending Decision 2009/821/EC as regards the lists of border inspection posts and veterinary units in Traces (notified under document C(2018) 8847) (Text with EEA relevance)

COMMISSION IMPLEMENTING DECISION (EU) 2019/14

of 3 January 2019

amending Decision 2009/821/EC as regards the lists of border inspection posts and veterinary units in Traces

(notified under document C(2018) 8847)

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Directive 90/425/EEC of 26 June 1990 concerning veterinary checks applicable in intra-Union trade in certain live animals and products with a view to the completion of the internal market[(1)], and in particular Article 20(1) and (3) thereof,

Having regard to Council Directive 91/496/EEC of 15 July 1991 laying down the principles governing the organisation of veterinary checks on animals entering the Community from third countries and amending Directives 89/662/EEC, 90/425/EEC and 90/675/EEC[(2)], and in particular the second sentence of the second subparagraph of Article 6(4) and Article 6(5) thereof,

Having regard to Council Directive 97/78/EC of 18 December 1997 laying down the principles governing the organisation of veterinary checks on products entering the Community from third countries[(3)], and in particular Article 6(2) thereof,

Whereas:

(1) Commission Decision 2009/821/EC[(4)] lays down a list of border inspection posts approved in accordance with Directives 91/496/EEC and 97/78/EC. That list is set out in Annex I to that Decision.

(2) Germany informed the Commission that the existing border inspection post at Hamburg airport is to be replaced by a newly constructed border inspection post with a different location. Following the information from Germany and the satisfactory inspection carried out by the Commission, the new border inspection post at Hamburg airport (Hamburg Flughafen) should be approved for packed products of human consumption, for packed frozen products for non-human consumption and for packed products for non-human consumption with no temperature requirements. Therefore, the list of entries for that Member State set out in Annex I to Decision 2009/821/EC should be amended accordingly.

(3) Following information received from Greece, an additional approval category for packed frozen and chilled products for non-human consumption should be added at the road border inspection post at Neos Kafkassos. Therefore, the list of entries for that Member State set out in Annex I to Decision 2009/821/EC should be amended accordingly.

(4) Following information received from Spain, the approval for the category of packed products for non-human consumption with no temperature requirements should be granted for the inspection centre Dársena and the approval for the category of products for non-human consumption should be deleted from the approval of the inspection centre Dique at the border inspection post at Santa Cruz de Tenerife port. Therefore, the list of entries for that Member State set out in Annex I to Decision 2009/821/EC should be amended accordingly.

(5) Following the proposal from Portugal, the approval of the inspection centre Liscont at the border inspection post at Lisbon port should be restricted to packed products for human consumption only. Therefore, the list of entries for that Member State set out in Annex I to Decision 2009/821/EC should be amended accordingly.

(6) Following information received from Sweden, the entry concerning the inspection centre 'IC2' approved for the category 'equidae' for the border inspection post at Göteborg-Landvetter airport should be deleted from the list of entries for that Member State set out in Annex I to Decision 2009/821/EC.

(7) Further to the proposal of the United Kingdom, a new inspection centre should be listed at the border inspection post at Heathrow airport for the inspection of packed products for human consumption. Therefore, the list of entries for that Member State set out in Annex I to Decision 2009/821/EC should be amended accordingly.

(8) Annex II to Decision 2009/821/EC lays down the list of central, regional and local units in the integrated computerised veterinary system (Traces).

(9) Germany informed the Commission that certain changes should be made to the list of local units in Traces for that Member State. It is therefore appropriate to amend Annex II to Decision 2009/821/EC accordingly.

(10) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Plants, Animals, Food and Feed,

HAS ADOPTED THIS DECISION:

Article 1

Annexes I and II to Decision 2009/821/EC are amended in accordance with the Annex to this Decision.

Article 2

This Decision is addressed to the Member States.
