Commission Regulation (EC) No 39/2008 of 17 January 2008 fixing the rates of the refunds applicable to certain milk products exported in the form of goods not covered by Annex I to the Treaty

COMMISSION REGULATION (EC) No 39/2008

of 17 January 2008

fixing the rates of the refunds applicable to certain milk products exported in the form of goods not covered by Annex I to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1255/1999 of 17 May 1999 on the common organisation of the market in milk and milk products[(1)], and in particular Article 31(3) thereof,

Whereas:

(1) Article 31(1) of Regulation (EC) No 1255/1999 provides that the difference between prices in international trade for the products listed in Article 1(a), (b), (c), (d), (e), and (g) of that Regulation and prices within the Community may be covered by an export refund.

(2) Commission Regulation (EC) No 1043/2005 of 30 June 2005 implementing Council Regulation (EC) No 3448/93 as regards the system of granting export refunds on certain agricultural products exported in the form of goods not covered by Annex I to the Treaty, and the criteria for fixing the amount of such refunds[(2)], specifies the products for which a rate of refund is to be fixed, to be applied where these products are exported in the form of goods listed in Annex II to Regulation (EC) No 1255/1999.

(3) In accordance with the first paragraph of Article 14 of Regulation (EC) No 1043/2005, the rate of the refund per 100 kilograms for each of the basic products in question is to be fixed each month.

(4) However, in the case of certain milk products exported in the form of goods not covered by Annex I to the Treaty, there is a danger that, if high refund rates are fixed in advance, the commitments entered into in relation to those refunds may be jeopardised. In order to avert that danger, it is therefore necessary to take appropriate precautionary measures, but without precluding the conclusion of long-term contracts. The fixing of specific refund rates for the advance fixing of refunds in respect of those products should enable those two objectives to be met.

(5) Article 15(2) of Regulation (EC) No 1043/2005 provides that, when the rate of the refund is being fixed, account is to be taken, where appropriate, of production refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organisation of the market in the product in question to the basic products listed in Annex I to Regulation (EC) No 1043/2005 or to assimilated products.

Changes to legislation: *There are currently no known outstanding effects for the Commission Regulation (EC) No 39/2008. (See end of Document for details)*

(6) Article 12(1) of Regulation (EC) No 1255/1999 provides for the payment of aid for Community-produced skimmed milk processed into casein if such milk and the casein manufactured from it fulfil certain conditions.

(7) Commission Regulation (EC) No 1898/2005 of 9 November 2005 laying down detailed rules for implementing Council Regulation (EC) No 1255/1999 as regards measures for the disposal of cream, butter and concentrated butter[(3)], lays down that butter and cream at reduced prices should be made available to industries which manufacture certain goods.

(8) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

The rates of the refunds applicable to the basic products listed in Annex I to Regulation (EC) No 1043/2005 and in Article 1 of Regulation (EC) No 1255/1999, and exported in the form of goods listed in Annex II to Regulation (EC) No 1255/1999, shall be fixed as set out in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 18 January 2008.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 17 January 2008.

For the Commission

Heinz ZOUREK

Director-General Enterprise and Industry

***Changes to legislation:** There are currently no known outstanding effects for the Commission Regulation (EC) No 39/2008. (See end of Document for details)*
