THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Whereas Council Directive 83/89/EEC added to Directive 69/73/EEC an Annex, in the form of an enumerated list of compensating or intermediate products which may be released into free circulation under the conditions provided for in Article 18 of this Directive ;

Whereas, with regard to serial numbers 42 and 57 of the list annexed to Directive 69/73/EEC, the compensating products found in column 2 of the abovementioned list and resulting from processing operations listed in column 3, are those for which the authorization had been granted and which are intended for export ; whereas there is no justification for the granting of the benefits provided for in Article 18 of Directive 69/73/EEC to these products ; whereas the list in question should accordingly be amended ;

Whereas, for reasons of clarity, it is desirable to reproduce, in its entirety, the list annexed to Directive 69/73/EEC in its amended form ;

Whereas the measures provided for in this Directive are in accordance with the opinion of the Committee for Customs Processing Arrangements,

HAS ADOPTED THIS DIRECTIVE :
