THE ELECTRONIC COMMUNICATIONS AND TRANSACTIONS BILL, 2020

MEMORANDUM

The objects of this Bill are to—

(a) provide a safe and effective environment for electronic transactions;

(b) promote secure electronic signatures;

(c) facilitate electronic filling of documents by public authorities;

(d) provide for the use, security, facilitation and regulation of electronic communications and transactions;

(e) promote legal certainty and confidence, and encourage investment and innovation in relation to electronic transactions;

(f) regulate the National Public Key Infrastructure;

(g) repeal and replace the Electronic Communications and Transactions Act, 2009; and

(h) provide for matters connected with, or incidental, to the foregoing.

,

L. KALALUKA,
Attorney-General

N.A.B. 29, 2020
10th December, 2020
