

MINISTRY OF TRANSPORT  
MALAYSIA

# NATIONAL TRANSPORT POLICY 2019-2030

# NATIONAL TRANSPORT POLICY 2019-2030

# TABLE OF CONTENTS

<b>EXECUTIVE SUMMARY</b>	<b>9</b>
<b>MALAYSIA'S TRANSPORT LANDSCAPE</b>	<b>12</b>
<b>CASE FOR CHANGE (FUTURE TRENDS)</b>	<b>14</b>
Trend 1: Growing and increasingly ageing population	15
Trend 2: Increasing urbanisation	16
Trend 3: Advances in real time information and digitisation	17
Trend 4: Expansion of e-commerce market	18
Trend 5: Shift towards environmentally sustainable transport	19
Trend 6: Move towards bigger vessels, consolidation and containerisation	20
Trend 7: Increasing passenger travel and impact of Low Cost Carriers	21
Trend 8: Proliferation of new technology	22
<b>DEVELOPMENT OF THE POLICY</b>	<b>23</b>
<b>Policy Thrust 1:</b>	<b>28</b>
<b>Strengthen governance to create a conducive environment for the transport sector</b>	
S1.1: Strengthen coordination among agencies and industry players	32
S1.2: Enhance skills development in the transport sector and make the sector an attractive career option	33
S1.3: Strengthen and streamline the regulatory framework	34
S1.4: Embed a robust evidence-based assessment in planning and development of transport sector to meet the market demands	35
S1.5: Improve efficiency of clearance process by agencies for logistics	36

<b>Policy Thrust 2:</b>	<b>38</b>
<b>Optimise, build and maintain the use of transport infrastructure, services and networks to maximise efficiency</b>	
<b>S2.1:</b> Implement smarter and more efficient use of existing infrastructure and in developing new infrastructure	42
<b>S2.2:</b> Increase the utilisation of rail service for passengers and goods	43
<b>S2.3:</b> Upgrade hinterland connectivity to gateways and connect corridors for improved economic distribution	44
<b>S2.4:</b> Reinforce the maintenance regime of transport infrastructure	45
<b>S2.5:</b> Enhance competitiveness in air cargo operation to support Malaysia in becoming a regional distribution centre	46
<b>S2.6:</b> Modernise integrated logistics to reduce the cost of doing business	47
<b>Policy Thrust 3:</b>	<b>48</b>
<b>Enhance safety, integration, connectivity and accessibility for seamless journey</b>	
<b>S3.1:</b> Strengthen enforcement to ensure adherence to rules and regulations to improve safety, service quality and reliability	52
<b>S3.2:</b> Adopt a safe system approach that advocates safer road, rail, maritime and aviation users, infrastructure and vehicle	53
<b>S3.3:</b> Ensure that Malaysia's transport sector's safety and security are in accordance to international standards	54
<b>S3.4:</b> Strengthen transport infrastructure and intensify the use of digitalisation to enhance connectivity	55
<b>Policy Thrust 4:</b>	<b>56</b>
<b>Advance towards green transport ecosystem</b>	
<b>S4.1:</b> Enforce compliance to acts/regulations and shift towards international environmental standards	59
<b>S4.2:</b> Prioritise public transport network as a fundamental structure in charting out sustainable spatial and transportation growth in urbanised areas	60
<b>S4.3:</b> Accelerate implementation of low carbon mobility initiatives	61
<b>S4.4:</b> Institute measures to control pollution, noise and waste from the transport sector	62
<b>S4.5:</b> Develop effective communication, education and public awareness (CEPA) to create behavioural change towards sustainable transport	63
<b>Policy Thrust 5:</b>	<b>64</b>
<b>Expand global footprint and promote internationalisation of transport services</b>	
<b>S5.1:</b> Create an environment that facilitates local transport industry operators to become regional or	67
