ECLAC Subregional Headquarters in Mexico
Joseluis Samaniego
Director
Sustainable Development and Human Settlements Division
and ECLAC's Focal Point on Climate Change
Julie Lennox
Focal Point of Climate Change,
ECLAC Subregional Headquarters in Mexico

This publication was produced under the auspices of an agreement between the United Kingdom Department for International Development (DFID) and the Subregional Headquarters of the Economic Commission for Central America and the Caribbean (ECLAC) in Mexico City, as part of the Project "The Economics of Climate Change in Central America".

The opinions expressed in this document are strictly those of the authors and do not necessarily reflect the views of ECLAC or of the Project's partner institutions.

The boundaries and names that appear in the maps contained in this document do not imply official endorsement or acceptance by the United Nations.

The term "dollars" refers to United States dollars, unless otherwise specified.
