# report on the 1960 world census of agriculture

ANALYSIS AND INTERNATIONAL COMPARISON OF CENSUS RESULTS

FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS

**REPORT ON THE  
1960 WORLD CENSUS OF AGRICULTURE**

**Volume V**

**ANALYSIS AND INTERNATIONAL COMPARISON  
OF CENSUS RESULTS**

**FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS  
ROME 1971**

P.V. SUKHATME  
Director, Statistics Division

OM P. AGGARWAL  
Senior Officer, Agricultural Census Group

RAY HURLEY  
Consultant

## CONTENTS

<b>Publications used in the preparation of Volume V</b> .....	xi	Problems and differences among countries in classifying land according to use.....	66
<b>Foreword</b> .....	1	Major uses of land .....	67
<b>0. Introduction</b> .....	3	Changes in land utilization, 1950 to 1960....	68
What is agriculture? .....	3	<b>4. Tenure, ownership and fragmentation</b> ....	84
General characteristics of agriculture .....	3	Introduction .....	84
What is a census of agriculture? .....	4	Tenure .....	84
Purpose of this volume .....	5	Recommended forms of tabulation .....	85
Scope of the census of agriculture .....	5	Number and area of holdings by tenure.....	85
Coverage of the 1960 census .....	6	Area of holdings by tenure of land operated..	88
Accuracy of census results .....	6	Holdings operated by owners and tenants and land owned, by size of holding.....	88
Securing comparability of data for countries	9	Changes in number of holdings by tenure and area of holdings by tenure of land operated, 1930 to 1960.....	89
<b>1. Number of agricultural holdings</b> .....	13	Legal status of holder .....	90
Definition of holding and holder .....	13	Fragmentation of holdings .....	90
Number of holdings and their relation to total population .....	13	Holders by age .....	91
Number of holdings and their size .....	14	<b>5. Area and production of crops</b> .....	115
<b>2. Area of agricultural holdings</b> .....	31	Introduction .....	115
Introduction .....	31	Reporting of area in crops .....	116
Total area of holdings .....	31	Area of temporary crops .....	117
Size groups for holdings .....	32	Production of crops .....	118
Area of holdings by size of holding .....	34	Area of permanent crops .....	118
Cropland by size of holding .....	35	Relationship of cropland to area in crops...	119
Comparison of the number and area of holdings for the 1930, 1950 and 1960 censuses	36	<b>6. Livestock and poultry</b> .....	176
<b>3. Land utilization</b> .....	65	Introduction .....	176
Introduction .....	65	Relative importance of various species of livestock .....	177
Classification of land utilization in agricultural holdings .....	65	Cattle .....	177
		Horses .....	178
		Mules .....	179

Asses .....	179	<b>9. Agricultural power, machinery and general transport facilities .....</b>	<b>220</b>
Buffaloes .....	180	Introduction .....	220
Sheep and goats .....	180	Holdings classified by source of power .....	220
Pigs .....	181	Agricultural machines on holdings .....	221
Bees .....	181	Principal means of transport .....	221
Relationship of census data for livestock to current estimates .....	181		
<b>7. Employment in agriculture .....</b>	<b>207</b>	<b>10. Irrigation and drainage .....</b>	<b>229</b>
Introduction .....	207	Introduction .....	229
Employment on holdings .....	208	Area irrigated .....	229
Persons under 15 years of age working on holdings .....	209	Area irrigated by source of water .....	230
Man-days worked on holdings .....	209	Area drained .....	230
<b>8. Farm population .....</b>	<b>213</b>	<b>11. Fertilizers and soil dressing .....</b>	<b>235</b>
Introduction .....	213	Introduction .....	235
Farm population and agricultural population .....	214	Holdings using fertilizers and soil dressings... ..	235
Relation of population of holder's household to total population, agricultural holdings and cropland .....	214	Area treated with inorganic and organic fertilizers and lime .....	236
Holdings by major occupation .....	215	<b>12. Wood and fishery products .....</b>	<b>239</b>

## LIST OF TABLES

<b>0. Introduction</b>			
0.1 Total number of holdings and number of holdings in sample for 34 countries..	10	2.3 Area of holdings 1 hectare and over by size of holding .....	42
0.2 Number and area of holdings and total cropland of countries and territories not included elsewhere in this volume, as compared with area and population ...	11	2.4 Percent distribution of the total area of holdings of 1 hectare and over by size of holding .....	44
0.3 Area, population and total cropland for countries and territories for which no data on number of holdings are available for 1960 .....	12	2.5 Number and area of holdings with 1 000 hectares and over by size of holding ....	46
<b>1. Number of agricultural holdings</b>		2.6 Area of total cropland by size of holding	47
1.1 Factors in definition of holding affecting number of holdings .....	17	2.7 Percent total cropland of all land in holdings by size of holding .....	49
1.2 Number of holdings by country and total population per holding .....	23	2.8 Percent distribution of total cropland by size of holding .....	51
1.3 Distribution of number of holdings, number of countries and population by size group of population per holding...	25	2.9 Average area of total cropland per holdings by size of holding .....	53
1.4 Number of holdings 1 hectare and over by size .....	26	2.10 Number and area of all holdings and of holdings of less than 1 hectare: censuses of 1960, 1950 and 1930 .....	55
1.5 Percent distribution of number of holdings 1 hectare and over by size .....	28	2.11 Number of holdings with an area of 1 hectare and over by size of holding: censuses of 1960 and 1950 .....	57
1.6 Number of holdings under 1 hectare and holdings 2 to 5 hectares in specified countries by size .....	30	2.12 Area of holdings with an area of 1 hectare and over by size of holding: censuses of 1960 and 1950 .....	59
<b>2. Area of agricultural holdings</b>		2.13 Number of holdings with an area of 1 hectare and over by size of holding: censuses of 1960, 1950 and 1930 .....	61
2.1 Area used for the classification of holdings by size, and use of land excluded from total area .....	40	2.14 Area of holdings with an area of 1 hectare and over by size of holding: censuses of 1960, 1950 and 1930 .....	63
2.2 Size groups for which estimates were made for number of holdings, area of holdings and area of cropland .....	41	<b>3. Land utilization</b>	
		3.1 Rearrangements of data to match FAO classification of land utilization .....	73
		3.2 Area of holdings classified by land use groups .....	77
		3.3 Area of holdings as percentage of total area of country and percent distribution of area in holdings by use of land .....	79

3.4	Cropland and arable land per holding and per capita .....	81
3.5	Area of fallow land .....	82
3.6	Area of holdings by land use groups: censuses of 1960 and 1950 .....	83
<b>4.</b>	<b>Tenure, ownership and fragmentation</b>	
4.1	Number and area of holdings by tenure of holding .....	92
4.2	Percent distribution of number and area of holdings by tenure of holding .....	96
4.3	Area of holdings by tenure of land operated .....	98
4.4	Percent distribution of area of holdings by tenure of land operated .....	99
4.5	Number of holdings operated by tenants by kind of tenant .....	100
4.6	Area rented for holdings operated by tenants and by holders operating land under more than one tenure form ....	101
4.7	Number and area of holdings owned by the holder or held in ownerlike possession, by size of holding (broad classification)	102
4.8	Number and area of holdings owned by the holder or held in ownerlike possession, by size of holding (detailed classification)	104
4.9	Area owned by the holder or held in ownerlike possession, by size of holding (broad classification) .....	105
4.10	Area owned by the holder or held in ownerlike possession, by size of holding (detailed classification) .....	106
4.11	Number and area of holdings rented from others, by size of holding (broad classification) .....	107
4.12	Number and area of holdings rented from others, by size of holding (detailed classification) .....	108
4.13	Number of holdings by tenure of holding: censuses of 1960, 1950 and 1930..	109
4.14	Area of holdings by tenure of land operated: censuses of 1960, 1950 and 1930	110
4.15	Number of holdings operated by tenants by kind of tenant: censuses of 1960, 1950 and 1930 .....	111
4.16	Number and area of holdings by legal status of holder .....	112
4.17	Fragmentation of holdings .....	113
4.18	Number of holders by age .....	114

**5. Area and production of crops**

5.1	Description of data reported for crop area and production .....	120
5.2	Four most important temporary crops for each country according to the size of area occupied .....	125
5.3	Area of principal permanent crops ....	127
5.4	Area of permanent meadows and pastures cut for hay and areas of temporary forage crops .....	129
5.5	Wheat, rice and rye .....	130
5.6	Millet and sorghum, maize and barley	132
5.7	Oats and buckwheat .....	134
5.8	Cotton, jute and tobacco .....	135
5.9	Soybeans, edible dry beans and edible dry peas .....	137
5.10	Cocoyams, yams and groundnuts ....	138
5.11	Potatoes, manioc and sweet potatoes ...	139
5.12	Sugarcane and sugar beets .....	141
5.13	Linseed .....	143
5.14	Sunflower seed .....	143
5.15	Sesame seed .....	144
5.16	Rapeseed .....	144
5.17	Dry broad beans and lentils .....	145
5.18	Mustard seed .....	146
5.19	Tomatoes and cabbages .....	147
5.20	Green beans and green peas .....	148
5.21	Castor beans .....	149
5.22	Poppy seed .....	149
5.23	Hops .....	150
5.24	Chicory for coffee .....	150
5.25	Grapes .....	151
5.26	Coffee .....	152
5.27	Olives .....	153
5.28	Coconuts .....	154
5.29	Plantains .....	155
5.30	Rubber .....	156
5.31	Bananas .....	157
5.32	Almonds and walnuts .....	158
5.33	Tea .....	159
5.34	Apples .....	160
5.35	Figs .....	161
5.36	Cacao .....	162
5.37	Oranges .....	163
5.38	Plums and prunes .....	164
5.39	Pears .....	165
5.40	Peaches .....	166
5.41	Dates .....	167
5.42	Pineapples .....	168

5.43	Mandarins .....	169	7.	<b>Employment in agriculture</b>	
5.44	Mangoes .....	170	7.1	Employment on holdings .....	210
5.45	Cherries .....	171	7.2	Relationship of persons working on holdings to total population, farm population and number of holdings .....	212
5.46	Lemons .....	172			
5.47	Grapefruit .....	173			
5.48	Breadfruit .....	174			
5.49	Sour limes .....	175			
			8.	<b>Farm population</b>	
6.	<b>Livestock and poultry</b>		8.1	Farm population reported for households of holders, by continent .....	216
6.1	Number of countries (and related information) classified by percent of holdings having specified livestock .....	183	8.2	Farm population .....	217
6.2	Percent of holdings reporting specified livestock .....	184	8.3	Number of holders by main occupation .....	219
6.3	Cattle used or intended for use for draught purposes .....	185			
6.4	Cows kept for milk .....	186	9.	<b>Agricultural power, machinery and general transport facilities</b>	
6.5	Percent distribution of cattle by age and sex, by continent .....	186	9.1	Holdings by source of power, by continent .....	222
6.6	Distribution of cattle by age and sex, by country .....	187	9.2	Percent distribution of holdings by source of power, in each size of holding group for countries in Asia .....	222
6.7	Distribution of cattle by age and sex for specified countries .....	189	9.3	Number of tractors by continent .....	222
6.8	Holdings with cattle by number of cattle per holding .....	190	9.4	Holdings reporting by source of power .....	223
6.9	Cattle by size of holding .....	191	9.5	Number of holdings by source of power and by size of holding .....	224
6.10	Horses by continent .....	192	9.6	Number of holdings reporting and number of machines owned by holders .....	226
6.11	Horses by size of holding .....	192	9.7	Principal means used to transport agricultural products from holdings to first place of sale .....	228
6.12	Mules by size of holding .....	193			
6.13	Asses by size of holding .....	193	10.	<b>Irrigation and drainage</b>	
6.14	Horses, mules, asses and buffaloes by country .....	194	10.1	Irrigation by continent .....	231
6.15	Buffaloes by continent .....	196	10.2	Holdings with irrigation and land irrigated .....	232
6.16	Buffaloes by size of holding .....	196	10.3	Area irrigated by source of water and by method of irrigation .....	233
6.17	Sheep and goats by continent .....	197	10.4	Area drained .....	234
6.18	Percent distribution of sheep and goats by age, by continent .....	197			
6.19	Distribution of sheep and goats by age, by country .....	198
