- Chapter 4: Moazam Mahmood and Ekkehard Ernst

Country Spotlights were prepared by Francisco Guerreiro, who also provided helpful research assistance for the report. Specific mention should be given to Valia Bourmpoula for preparing the global and regional estimates on the basis of the Global Employment Trends (GET) econometric models and for helpful research assistance. Paola Ballon contributed to the analysis in Chapter 1. The publication would not have been possible without the contributions of other members of the ILO's Employment Trends Team – Philippe Blet, Christian Viegelaehn and Alan Wittrup.

The manuscript benefited from the suggestions of Moazam Mahmood, Director of the
