## Contents

	Page
Executive summary.....	ix
Introduction.....	1
 <b>Part I: Analysis of the current preferential market access available to LDCs under unilateral trade preferences</b> .....	 3
A. General overview of preferential trade flows under the Quad GSP schemes...	3
B. An analysis of preferential trade flows under unilateral trade preferences granted by Quad countries .....	8
1. The GSP scheme of the United States of America .....	8
(a) The African Growth and Opportunity Act .....	9
(b) Coverage and utilization of the GSP scheme of the United States .....	11
(c) Coverage and utilization of AGOA .....	16
2. The GSP scheme of Japan .....	20
(a) Coverage and utilization of the GSP scheme of Japan .....	22
3. The GSP scheme of Canada .....	28
(a) Coverage and utilization of the GSP scheme of Canada .....	29
4. The GSP scheme of the European Union for LDCs and the trade preferences under the Cotonou Partnership Agreement .....	32
5. The trade preferences for LDCs under the former Lomé Convention and the current Cotonou Partnership Agreement .....	33
6. Utilization of ACP preferences .....	36
(a) The "Everything But Arms" (EBA) initiative .....	39
(b) Product coverage and tariff treatment of the EBA initiative under the GSP scheme of the European Union .....	40
(c) Coverage and utilization under the GSP scheme of the European Union: Before and after the EBA initiative .....	41
 <b>Part II: Rules of origin and low utilization of trade preferences</b> .....	 53
A. Linking low utilization of preferences with sourcing and rules of origin: A methodology .....	58
B. Options for harmonization and simplification of rules of origin as a key aspect for effectively improving market access and utilization of preferences .....	71
1. Increase utilization by addressing rules of origin: Some proposals .....	77
(a) Some proposals for harmonizing and simplifying the percentage criterion .....	77
(b) Some proposals to design product-specific rules of origin matching the industrial capacity of LDCs .....	79

<b>Part III: Identification and quantification of the possible gains arising from an enhanced market access for LDCs' exports: The issues of increasing utilization and expanding product coverage .....</b>	<b>85</b>
A. Possible trade effects arising from the expansion of product coverage .....	86
1. United States: GSP and AGOA trade simulation .....	86
2. Japan: GSP trade simulation .....	89
3. Canada: GSP trade simulation .....	90
B. Possible trade effects arising from a full utilization of the preferential schemes .....	92
1. The GSP scheme of the European Union and ACP Cotonou preferences .....	92
2. Full simulation for Japan, USA and Canada .....	97
Conclusions .....	105

## Annexes

1. Areas of possible improvements under existing preferential market access for LDCs .....	111
2. List of least developed countries .....	113
3. Visa requirements, country beneficiaries and rules of origin for textiles and clothing under AGOA .....	115

## Tables

1. Quad imports and utilization of GSP schemes from all effective beneficiaries .....	5
2. Quad imports and utilization of the GSP schemes from all LDC effective beneficiaries .....	6
3. Quad imports and utilization of GSP schemes from non-LDC effective beneficiaries .....	7
4. Imports from effective LDC beneficiaries under the GSP scheme of the United States (2001) .....	12
5. Imports from effective LDC beneficiaries under the GSP scheme of the United States (1994–2001) .....	13
6. Selected products exported from the Lao PDR to the US market .....	16
7. US imports and utilization of AGOA preferences from all AGOA effective beneficiaries, by HS section (2001) .....	17
8. Utilization of the HS chapters 61, 62 (garments) and 63 (other made-up textile articles) from AGOA lesser developed effective beneficiaries with textile certification and special rules of origin (2001) .....	18

9.	Utilization of the HS chapters 61, 62 (garments) and 63 (other made-up textile articles) from AGOA UN LDC effective beneficiaries with textile certification and special rules of origin (2001) .....	18
10.	Utilization of the HS chapters 61, 62 (garments) and 63 (other made-up textile articles) from AGOA lesser developed effective beneficiaries with textile certification and special rules of origin (2002) .....	19
11.	Utilization of the HS chapters 61, 62 (garments) and 63 (other made-up textile articles) from AGOA UN LDC effective beneficiaries with textile certification and special rules of origin (2002) .....	20
12.	Imports from effective LDC beneficiaries under the GSP scheme of Japan (2001) .....	24
13.	Imports from effective LDC beneficiaries under the GSP scheme of Japan (1994-2001) .....	25
14.	Trade covered by the improvement of the GSP scheme of Japan (Annex V) only for LDCs, ranked by HS Chapter .....	27
15.	Trade covered by the improvement of the GSP scheme of Japan, duty-free treatment only for LDCs, ranked by HS Chapter .....	28
16.	Imports from effective LDC beneficiaries under the GSP scheme of Canada (1994-2001) .....	29
17.	Imports from effective LDC beneficiaries under the GSP scheme of Canada (2001) .....	31
18.	LDCs' trade covered by the improvement of the GSP scheme of Canada .....	32
19.	Products regulated by an entry-price system in the EU .....	35
20.	Imports of least developed ACP countries into the European Union under Lomé/Cotonou Partnership Agreement (1998-2002) .....	37
21.	EU imports and utilization of ACP-LDCs' preferences, by HS section (2001) .....	38
22.	Tariff quotas for rice and raw sugar from LDCs .....	41
23.	Imports from effective LDC beneficiaries under the GSP scheme of the EU (1994-2001) .....	43
24.	Imports from effective LDC beneficiaries under the GSP scheme of the EU for LDCs (2001) .....	45
25.	Imports of all LDC beneficiaries under the EBA (2002) .....	46
26.	Imports of non-ACP LDC beneficiaries under the EBA (2002) .....	47
27.	Imports from ACP LDC beneficiaries under the EBA (2002) .....	48
28.	Major LDC exports covered by the effective market access improvement of EBA, excluding bananas, rice and sugar (1999-2001) .....	50
29.	Major exports of bananas, rice and sugar from EBA beneficiaries (1999-2001) .....	51
30.	EU-imports of cane sugar for refining (EU combined nomenclature: 17011110) from EBA beneficiaries .....	51
31.	The present rules of origin under Quad GSP schemes, AGOA and the Cotonou Partnership Agreement .....	73
32.	Product-specific rules for textiles and clothing under the Canadian initiative for LDCs .....	74

33.	Product-specific origin rules for apparel under AGOA .....	75
34.	Rules of origin: Scope of cumulation and derogation .....	76
35.	Current product-specific rules of origin for selected HS chapters .....	79
36.	Expected trade effects from full coverage in the US market .....	88
37.	Expected trade effects from full coverage in the Japanese market prior to the 2003 changes .....	90
38.	Expected trade effects from full coverage in the Canadian market .....	91
39.	Expected trade effects from full utilization of preferential schemes: EU-non-ACP LDCs .....	93
40.	Expected trade effects from full utilization of preferential schemes: EU-non ACP LDCs, selected countries and markets .....	95
41.	Expected trade effects from full utilization of preferential schemes: EU-ACP LDCs .....	96
42.	Expected trade effects from full utilization and full coverage in the Canadian market .....	98
43.	Expected trade effects from full utilization and full coverage in the US market .....	100
44.	Expected trade effects from full utilization and full coverage in the Japanese market .....	102

## Figures

1.	United States: Average of coverage, utilization and utility rates (1994–2001) .....	14
2.	Japan: Averages of coverage, utilization and utility rates (1994–2001) .....	25
3.	Main LDC beneficiaries of the GSP scheme of Japan (2001), ranked according to amount of GSP received trade .....	26
4.	Canada: Averages of coverage, utilization and utility rates (1995–2001) .....	30
5.	EU: Average of coverage, utilization and utility rates (1994–2001) .....	44
6.	Main effective beneficiaries of the EU GSP scheme (2001) .....	44
7.	Average utilization rate of selected Asian LDCs by HS chapters: 61 & 62 (garments) and 64 (footwear) (1994–2000).....	56
8.	Average utilization rate of selected Asian non-LDCs by HS chapters: 61 & 62 (garments) and 64 (footwear) (1994–2000).....	58
9.	Bangladesh: EU-GSP utilization rates for HS chapters 61 and 62 (garments) (1994–2000) .....	61
10.	Cambodia: EU-GSP utilization rates for chapters 61 and 62 (garments) (1994–2000).....	61
11.	Bangladesh: Imports of cotton, (1996–2001) .....	64
12.	Cambodia: Imports of cotton (1996–2001) .....	64
13.	Bangladesh: Exports of cotton (1996–2001) .....	65
14.	Cambodia: Exports of cotton (1996–2001) .....	66
15.	Bangladesh: Imports of cotton fabrics (2001) .....	67
16.	Cambodia: Imports of cotton fabrics (2001) .....	67

17. Bangladesh: Comparison of imports of fabrics/exports chapters 61 and 62 (garments), with EU-GSP utilization rate (1996–2000) .....	69
18. Cambodia: Comparison of imports of fabrics/exports, chapters 61 and 62 (garments), with EU-GSP utilization rate (1996-2000) .....	71

## Boxes

1. EU trade preferences for products subject to agricultural components and entry prices: The core difference between the former agricultural preferences under the Lomé/Cotonou arrangements and those provided under EBA .....	34
2. The case of Bangladesh T-shirts .....	62

## Acknowledgements

The present study has been drafted by Mr. Stefano Inama, Project Manager, Commercial Diplomacy Programme, Division on International Trade in Goods and Services, and Commodities, UNCTAD. He acknowledges the valuable help of Mr. Wojciech Stawowy for the statistics provided, Mr. Sam Laird for useful comments, Ms. Federica Sbergami for inputs in the third part of the study, and Mrs. Laura Moresino for the graphics and charts.
