Review of Maritime Transport 1995

Report by the UNCTAD secretariat

UNITED NATIONS
New York and Geneva, 1996

NOTE

The *Review of Maritime Transport* is a recurrent publication prepared by the UNCTAD secretariat since 1968 with the aim of fostering transparency of maritime markets and developments. Any factual or editorial corrections that may prove necessary based on comments made by Governments would be reflected in a corrigendum to be issued subsequently.

Symbols of United Nations documents are composed of capital letters combined with figures. Use of such a symbol indicates a reference to a United Nations document.

The designations employed and the presentation of the material in this publication do not imply an expression of opinion by the Secretariat of the United Nations concerning the legal status of any country, territory, city or area, or of its authorities, or concerning the delimitation of its frontiers or boundaries.

Material in this publication may be freely quoted or reprinted, but acknowledgement is requested, with reference to the document number. A copy of the publication containing the quotation or reprint should be sent to the UNCTAD secretariat.
